(1) If at the time of the injury which resulted in death or disability or the last date of injurious exposure preceding death or disability from an occupational disease:

(a) The wages were fixed by the week, the amount so fixed shall be the average weekly wage;

(b) The wages were fixed by the month, the average weekly wage shall be the monthly wage so fixed multiplied by twelve (12) and divided by fifty-two (52);

(c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);

(d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury.

(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for that purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where the services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(3) In the case of volunteer firemen, police, and ***emergency management agency***~~[civil defense]~~ members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.

(4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his wages should be expected to increase during the period of disability, that fact may be considered in computing his average weekly wage.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of the employment prior to the injury, his wages from all the employers shall be considered as if earned

from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent the gratuities are reported for income tax purposes.

(7) The commissioner shall, from time to time, based upon the best available information, determine by administrative regulation industries which ordinarily do not have a full working day for five (5) days in every week. In those industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used in this subsection means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

Section 110. KRS 342.640 is amended to read as follows:

(2) Each application shall be accompanied by a specified fee as follows:

(a) The fee shall be three hundred dollars ($300) for each well to be drilled, deepened, or reopened for any purpose relating to the production, repressuring, or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole.

(b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by administrative regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars ($50) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen, or reopen a well for any purpose relating to the production, repressuring, or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by administrative regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the Underground Injection Control Program less any other state or federal funds which are made available for this purpose.

(c) All money paid to the State Treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the Underground Injection Control Program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).

(3) All money paid to the State Treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the General Assembly for the use of the department.

(4) Each application shall be accompanied by a plat, which shows the location and elevation of each well, prepared according to the administrative regulations promulgated under KRS 353.500 to 353.720. The plat shall be certified as accurate and correct by a ***professional*** land surveyor ***in accordance with the provisions of KRS Chapter 322***.[~~ When the location of the well is known to be underlaid by coal bearing stratum, the plat shall be certified accurate and correct by both a land surveyor and an engineer registered in Kentucky. If any plat submitted by an applicant is determined by the department to be materially inaccurate or incomplete, the department may require that a new plat be prepared and submitted either by a person approved by the director or an engineer registered in Kentucky. The department may further require that all future plats submitted by the applicant be prepared either by a person approved by the director or an engineer registered in Kentucky.~~]

(5) When any person submits to the Department of Mines and Minerals an application for a permit to drill a well, or to reopen, deepen, or temporarily abandon any well which is not covered by surety bond, the department shall except as provided in this section, require from the well operator a bond in the sum of five hundred dollars ($500) for a well to be drilled to a depth of five hundred feet (500') or less; one thousand dollars ($1,000) for a well to be drilled to a depth between five hundred and one feet (501') and one thousand feet (1,000'); one thousand five hundred dollars ($1,500) for a well to be drilled to a depth between one thousand and one feet (1,001') and one thousand five hundred feet (1,500'); two thousand dollars ($2,000) for a well to be drilled to a depth between one thousand five hundred and one feet (1,501') and two thousand feet (2,000'); two thousand five hundred dollars ($2,500) for a well to be drilled to a depth between two thousand and one feet (2,001') and two thousand five hundred feet (2,500'); three thousand dollars ($3,000) for a well to be drilled to a depth between two thousand five hundred and one feet (2,501') and three thousand feet (3,000'); three thousand five hundred dollars ($3,500) for a well to be drilled to a depth between three thousand and one feet (3,001') and three thousand five hundred feet (3,500'); four thousand dollars ($4,000) for a well to be drilled to a depth between three thousand five hundred and one feet (3,501') and four thousand feet (4,000'); and five thousand dollars ($5,000) for a well to be drilled to a depth of more than four thousand feet (4,000'). The bonds shall be made in favor of the

Department of Mines and Minerals, conditioned that the wells upon abandonment shall be plugged in accordance with the administrative regulations of the department and that all records required by the department be filed as specified. An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well, and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized except pursuant to administrative regulations promulgated by the department. The commission may establish a bond in a sum greater than five thousand dollars ($5,000) for any well to be drilled to a depth of more than four thousand feet (4,000') if the members of the commission determine that the particular circumstances of the drilling of the well warrant an increase in the bond amount established above. All bonds shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of the bond may file with the department a blanket bond in a sum of ten thousand dollars ($10,000), covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of the blanket bond shall be in full compliance with the above provision requiring an individual well bond. A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds, and a property bond may be executed by an operator who owns all of the surface and mineral rights of a tract proposed for drilling. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may also be accepted by the department. If an operator is required to post individual well bonds exceeding a total of five thousand dollars ($5,000) or elects to post a blanket bond, the certificate of deposit shall be accepted by the department in lieu of that portion of the amount of the bonds exceeding five thousand dollars ($5,000). The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond, by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (9) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on July 13, 1990, shall likewise be deposited in the interest-bearing account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund. The bond amounts shall be applicable only to permits issued upon and after July 13, 1990. All bonds posted for permits issued prior to July 13, 1990, shall remain in full force and effect for the duration of the permits.

(6) A successor to the well operator shall post bond and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.

(7) If the requirements of subsection (5) of this section with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department***, by administrative regulation,*** or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the administrative regulations[~~ or orders~~] of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall be forfeited to the department.

(8) A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director.

(9) All sums received ***under subsection (5) of this section or*** through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, which shall be an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

(10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of the hole confidential until the information is allowed to be released by the person obtaining the permit.

(11) For the purpose of this chapter, "water supply well" shall not include:

(a) Any well for a potable water supply for domestic use or for livestock; or

(b) Any water well used primarily for cooling purposes in an industrial process.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 95.290 is amended to read as follows:

(1) The city legislative body in cities of the first class may enact ordinances providing for a system of pensions for retired and disabled members of the police and fire divisions of the department of public safety and their dependents, may appropriate funds for the purpose of paying such pensions, may allot and pay to the policemen's pension fund or the firefighters' pension fund or either or both of them, all fines and forfeitures imposed upon members of the respective divisions, and may provide for, assess, and collect contributions from the members for the benefit of the fund.

(2) There shall be a governing body of the policemen's pension fund, and a governing body of the firefighters' pension fund. The governing bodies of the respective funds shall hold title to all assets in their respective funds, and shall have exclusive authority relating to investment of the assets of the funds, including contracting with investment advisors or managers to perform investment services as deemed necessary and prudent by the board. A majority of the governing body of each fund shall be comprised of ***persons receiving pension benefits from***[~~members of~~] the respective pension systems, and no more than one (1) member of the city legislative body may be a member of the governing body of either the policemen's or the firefighters' pension fund. ***To be effective, an action of the governing body of a fund shall require only a simple majority of the votes cast at a properly convened meeting of the governing body where a quorum is present, with a quorum being a majority of the members of a governing body.***

(3) Any policemen's pension fund or any firefighters' pension fund established under the provisions of this section shall be held or distributed for***, and only for,*** any of the following purposes of the respective fund as applicable:

(a) Paying pensions***, and any bonus payments under applicable ordinances***;

(b) ***Making*** payments to the city for transfer to the County Employees Retirement System for alternate participation pursuant to KRS 78.530(3)(a) and 78.531(2);

(c) ***Transferring***[~~Transfer of~~] pension assets through investment contract or other financial instrument for the purpose of amortizing unfunded service ***liabilities***[~~liability~~]; and

(d) Payment from the city to the County Employees Retirement System for future pension contributions required pursuant to KRS 61.565.

Pursuant to the terms of this section, if policemen of the city of the first class elect entry into the County Employees Retirement System and thereby create excess funds over those required to provide for the purposes set forth in paragraphs (a), (b), and (c) of this subsection, these excess funds shall be distributed to the city for use by the city for any other purpose it may elect, including, but not limited to, the establishment of a reserve for payment under paragraph (d) of this subsection. The governing board of the fund may annually expend for the necessary expenses connected with the fund, including but not limited to expenses for medical, actuarial, accounting, and legal services, the amount such governing board deems proper.

(e) Payment from the city to the County Employees Retirement System for future pension contributions required pursuant to KRS 61.565. Pursuant to the terms of this section, if firefighters of the city of the first class elect entry into the County Employees Retirement System and thereby create excess funds over those required to provide for the purposes set forth in paragraphs (a), (b), and (c) of this subsection, these excess funds shall be distributed according to the terms of an agreement negotiated between the city and the union organization representing the firefighters. The city may use its share of the distributed excess funds for any purpose it may elect, including, but not limited to, the establishment of a reserve for payment under paragraph (e) of this subsection.

(4) (a) The governing body of each pension fund shall insure that all of the assets in the fund are distributed for the purposes in subsection (3) of this section, and only for these purposes. If in any calendar year the assets in either fund exceed those needed for the actuarial liability for payment of pension benefits and any anticipated liabilities under subsection (3)(b) and (c) of this section, the legislative body of the city establishing the pension system shall insure by pension bonus ordinance that a portion of these excess funds be distributed in an equitable manner to all

eligible pension recipients. Nothing in this subsection shall be construed to require any change to be made to any pension ordinance as it exists on the effective date of this Act.

(b) The governing board of ***either***[~~the~~] fund may annually expend for the necessary expenses connected with the fund, including but not limited to expenses for medical, actuarial, accounting, and legal ***or other professional*** services, the amount such governing board deems proper.

(5)[~~(4)~~] Any ordinance establishing a pension fund under this section shall make equitable provision for the rights of persons having an interest in assets transferred to the fund from any fund heretofore established by statute.

(6) To assure equal protection for the beneficiaries of either fund, any action taken by the city executive or legislative body in cities of the first class that affects a policemen's pension fund or a firefighters' pension fund established under this section shall, to the maximum extent permitted by law, treat each fund in a uniform manner and shall not cause any change to be made to the structure or operation of either fund, whether through legislation, litigation, compromise, settlement, or otherwise, unless any proposed change is offered to the other fund before it takes effect. Nothing in this subsection shall be construed to require any change to be made to any pension ordinance as it exists on the effective date of this Act.

(7)[~~(5)~~] The legislative body in a city of the first class shall issue the appropriate order, pursuant to KRS 78.530(1), directing participation for policemen in the County Employees Retirement System. All new employees who would have been granted membership in the local policemen's pension system shall be members of the County Employees Retirement System. All active members of the local policemen's pension system at the time of transition to the County Employees Retirement System may choose membership in the County Employees Retirement System or may retain membership in the local system. The city shall elect the alternate participation plan, pursuant to KRS 78.530(3), for policemen who transfer to the County Employees Retirement System. Notwithstanding the provisions of KRS 78.530(3)(b), the city may, at its option, extend the payment period for the cost of alternate participation to a maximum of twenty (20) years with the interest at the rate actuarially assumed by the board. The city shall have the right to use assets in the local pension fund, other than assets necessary to pay benefits to the remaining active members of the local policemen's pension system and to retirees and their survivors as determined by actuarial evaluation, to assist in the payment of the annual installment cost of alternate participation. All policemen who become members of the County Employees Retirement System pursuant to this section shall be granted hazardous duty coverage, and the city may, at its option, purchase accumulated sick leave for each policeman upon retirement pursuant to KRS 78.616.

(8)[~~(6)~~] The legislative body in a city of the first class may issue the appropriate order, pursuant to KRS 78.530(1), directing participation for firefighters in the County Employees Retirement System. In the event that the legislative body in a city of the first class issues such an order, then all new employees who would have been granted membership in the local firefighters' pension system shall be members of the County Employees Retirement System. All active members of the local firefighters' pension system at the time of transition to the County Employees Retirement System may choose membership in the County Employees Retirement System or may retain membership in the local system. The city shall elect the alternate participation plan, pursuant to KRS 78.530(3), for firefighters who transfer to the County Employees Retirement System. Notwithstanding the provisions of KRS 78.530(3)(b), the city may, at its option, extend the payment period for the cost of alternate participation to a maximum of twenty (20) years with the interest at the rate actuarially assumed by the board. The city shall have the right to use assets in the local firefighters' pension fund, other than assets necessary to pay benefits to the remaining active members of the local firefighters' pension system and to retirees and their survivors as determined by actuarial evaluation, to assist in the payment of the annual installment cost of alternate participation. After certification by the County Employees Retirement System of eligibility for hazardous duty coverage, each firefighter who becomes a member of the County Employees Retirement System pursuant to this section shall be granted hazardous duty coverage.

(9)[~~(7)~~] Notwithstanding the provisions of KRS 61.565, which relate to the contributions required of participating employers, any city of the first class participating in the County Employees Retirement System hazardous duty pension plan which has in effect a collective bargaining agreement with a group of employees who participate in said plan, shall have the right to enter into agreement with its employees or with their respective collective bargaining representatives. This agreement may include, but is not limited to, specifications of what portion of the required employer contribution shall be borne by the participating employer and what portion shall be borne by the participating employee. This provision in no way modifies the employer's obligation to remit the contributions required by the County Employees Retirement System pursuant to KRS 61.565, whether such contributions are borne by the city or by its participating employees.

(10)[~~(8)~~] With regard to the employer participation or employer contributions pursuant to KRS 61.565 as it relates to future pension contribution requirements or as it relates to payback period or interest charge for service liability cost under alternate participation, if any statute or any resolution of the appropriate state board of trustees having authority over employer participation or employer contribution grants any terms or conditions to any city of the second through the sixth class, or to any county, or to any urban-county government, which are more favorable in terms of participation than terms or conditions granted to any city of the first class, then said provisions for employer participation or contribution shall be available to the city of the first class, at its option and effective upon adoption by the city of the first class and notification to the County Employees Retirement System.

AN ACT relating to hazardous duty retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including, but not limited to, pilots of the Transportation Cabinet and paramedics and emergency medical technicians, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee ***participating in the Kentucky Employees Retirement System who is*** determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation***. An employee participating in the County Employees Retirement System who is determined by the system to be working in a hazardous duty position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, eight percent (8%) of his creditable compensation***;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) ***Except for the employee contribution by members of the Kentucky Employees Retirement System,*** the normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652. ***The employee contribution for a member of the Kentucky Employees Retirement System shall be seven percent (7%).***

(5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the system upon request.

(6) If doubt exists regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.515 to 61.705, or 78.520 to 78.852, or 16.510 to 16.652.

SB 168, AN ACT relating to school employees.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 160.380 is amended to read as follows:

(1) As used in this section:

(a) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.

(b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position. The superintendent shall, pursuant to administrative regulations of the Kentucky Board of Education, report annually the district's recruitment process and the activities used to increase the percentage of minority teachers in the district.

(e) No relative of a superintendent of schools shall be an employee of the school district. However, this shall not apply to a relative who is an employee of the school district for at least thirty-six (36) months prior to the superintendent assuming office and who is certified for the position he holds, and it shall not apply to a superintendent's spouse who has at least twenty (20) years of service in school systems. A superintendent's spouse who is employed under this provision shall not hold a position in which the spouse supervises certified or classified employees. A superintendent's spouse may supervise teacher aides and student teachers. However, the superintendent shall not promote his relative who continues employment under an exception of this subsection.

(f) No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

(g) ***1.*** No principal's relative shall be employed in the principal's school, except a relative who is not the principal's spouse and who was employed in the principal's school during the 1989-90 school year.

2. No spouse of a principal shall be employed in the principal's school, except***:***

a. A principal's spouse who was employed in the principal's school during the 1989-90 school year for whom there is no position for which the spouse is certified to fill in another school operated in the district***; or***

b. A principal's spouse who was employed in the 1989-90 school year and is in a school district containing no more than one (1) elementary school, one (1) middle school, and one (1) high school.

3. A principal's spouse who is employed in the principal's school shall be evaluated by a school administrator other than the principal.

4. The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.

(3) No superintendent shall employ in a position which involves supervisory or disciplinary power over a minor, any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor. Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.

(4) (a) If a school term has begun and a position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the required records. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of records documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the district of a record documenting a criminal act as defined above and no further procedures shall be required.

(5) Each application or renewal form, provided by the employer to the applicant, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A CRIMINAL RECORD CHECK AS A CONDITION OF EMPLOYMENT."

(6) Any request for records under subsection (3) of this section shall be on a form approved by the Justice Cabinet, and the cabinet may charge a fee to be paid by the applicant in an amount no greater than the actual cost of processing the request.

Initial employment shall include first time applicants and applicants who were former employees of the district but have not been employed by the district for six (6) months.

4. There should be alternative procedures to the traditional teacher preparation programs that qualify persons as teachers.

(b) There ***are***[~~is~~] hereby established[~~ an~~] alternative certification program ***options as described in subsections (3) through (5) of this section***.

(3) Option 2: Certification through a local district training program. A local district or group of districts may seek approval for a training program. The state-approved local district training program is an alternative to the college teacher preparation program as a means of acquiring teacher certification ***for a teacher at any grade level***. The granting of successive annual contracts to the holder of an adjunct instructor certificate shall not give rise to a claim of expectation of continuing employment.

(4) Local school boards may contract with certificated adjunct instructors for part-time services on an hourly, daily or other periodic basis as best meets the needs of the board. An adjunct instructor shall not fill a position ***that will result in the displacement of***[~~for which~~] a qualified teacher with a regular certificate ***who is already employed in the district***[~~is available at the time of the signing of the contract~~].

The school principal shall serve as the chairman of the team.

(2) The Education Professional Standards Board shall establish a training program for professional support teams which shall be implemented by the Department of Education. The training shall include content and procedures for the

evaluation of teacher candidates. Completion of the training shall be evidenced by successfully passing the examinations prescribed by the board.

(3) A local school district seeking to hire a teacher pursuant to ***subsection (3) of Section 1 of this Act***[~~KRS 161.048~~] shall submit a plan for ***a local district***[~~an~~] alternative training program to the Department of Education and have it approved in accordance with administrative regulations established by the Education Professional Standards Board. The district shall show evidence that it has sought joint sponsorship of the program with a college or university. No local school district shall employ a teacher seeking certification in a state-approved local district training program unless it has submitted a plan and received approval by the Education Professional Standards Board.

(4) Each state approved local district alternative training program shall provide the teacher candidate with essential knowledge and skills and include, but not be limited to, the following components:

The content of the formal instruction shall be prescribed by the Education Professional Standards Board and shall include an introduction to basic teaching skills through supervised teaching experiences with students, as well as an orientation on the policies, organization, and curriculum of the employing district.

(b) A period of classroom supervision while the candidate assumes responsibility on a one-half (1/2) time basis for a classroom and continuing for eighteen (18) weeks. During this period, the candidate shall be visited and critiqued no less than one (1) time per week by one (1) or more members of a professional support team appointed by the local district and assigned according to the administrative regulations adopted by the Education Professional Standards Board. The candidate shall be formally evaluated at the end of five (5) weeks, at the end of the second five (5) weeks, and at the end of the last eight (8) weeks by the members of the team. During this period, the candidate shall continue formal instruction which emphasizes student assessment, child development, learning, curriculum, instruction of exceptional children, and school and classroom organization.

(c) An additional period of at least eighteen (18) weeks continued supervision of the teacher candidate who may be assigned full-time classroom duties. During this period the teacher candidate shall be critiqued at least once per month and shall be observed formally and evaluated at least twice. No more than two (2) months shall pass without a formal observation. Formal instruction shall also continue during this period. In addition, opportunities shall be provided for the teacher candidate to observe the teaching of experienced teachers.

(5) At least two hundred fifty (250) hours of formal instruction shall be provided in all three (3) phases of the program combined.

(6) At the conclusion of the alternative training program, the chair of the support team shall prepare a comprehensive evaluation report on the teacher candidate's performance. This report shall be submitted to the Education Professional Standards Board and shall contain a recommendation as to whether the teacher candidate shall be issued a one (1) year certificate of eligibility to complete the internship pursuant to KRS 161.030. The support team shall make one (1) of the following recommendations:

If the parties are unable to agree on selection of an impartial arbitrator within a reasonable time as determined by the commissioner, one shall be designated by the commissioner. The commissioner shall establish the date arbitration proceedings shall commence and those proceedings shall be concluded within thirty (30) days from the date they commence.

(1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and ***wastewater***[~~waste water~~] treatment facilities, cement kiln dust, gas and

oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet;

(b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810, 224.43-815, and 224.46-820 to 224.46-870 but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.46-510(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.46-510(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.46-520 but shall not be subject to the requirements of KRS 224.40-310(6);

The cabinet's regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government***; and***

The cabinet shall, when promulgating administrative regulations affecting sludge from water treatment facilities and wastewater treatment facilities, treat the disposal of this sludge by composting as an industrial process. The provisions of this subsection shall not apply to a city, county, urban-county government, charter county government, or special district as defined in KRS Chapter 65 that disposes of its own water treatment or wastewater treatment sludge by composting on property owned by the city, county, urban-county government, charter county government, or special district.

(2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto.

(3) For the disposal of water treatment sludge or wastewater treatment sludge, a permit application to establish, operate, or modify a composting site or composting facility shall require immediately the general public notice provided for in subsections (4) and (5) of KRS 224.40-310. HR 136, A RESOLUTION urging the Transportation Cabinet to review the need to redesign and reconstruct all or parts of the Daniel Boone Parkway to address safety concerns, reduce motor vehicle accidents, and increase economic development opportunities.

WHEREAS, the Daniel Boone Parkway stretches from Interstate 75 in London in Laurel County through the breadth of Clay and Leslie Counties before ending at KY 15 in Hazard in Perry County; and

WHEREAS, according to the Kentucky Accident Reporting System, there were 116 accidents on the Daniel Boone Parkway in 1996; and

WHEREAS, of the 116 accidents, 7 were fatal accidents killing 10 people, 40 were injury accidents hurting 85 people, and 69 were accidents involving property damage; and

WHEREAS, the majority of these accidents occurred during the day under clear, dry road conditions, involving local residents who are familiar with travelling the Daniel Boone Parkway; and

WHEREAS, the Daniel Boone Parkway is a part of the Extended Weight Coal Haul Road System where large, overweight coal trucks are travelling at high rates of speed; and

WHEREAS, the Daniel Boone Parkway is also authorized for use by overdimensional vehicles, including vehicles 102 inches wide; and

WHEREAS, in 1996 only 6.38 miles of the Daniel Boone Parkway were repaved even though overweight and overdimensional vehicles travel the route daily; and

WHEREAS, according to a pavement management study completed by the Transportation Cabinet in 1996, between 1997 and 2003, only limited pavement improvements on the Daniel Boone Parkway are scheduled as follows: 8.8 miles in 1997, 12.01 miles in 1998, 2.58 miles in 1999, 17.08 miles in 2000, 0 miles in 2001, 0 miles in 2002, and 11.67 miles in 2003; and

WHEREAS, since 1981 the Transportation Cabinet has conducted pavement tests to determine the "rideability" of Kentucky's parkways; and

WHEREAS, in 1996 the average daily traffic count for the outside lanes only of the Daniel Boone Parkway was 6,260 vehicles with some segments carrying as many as 10,100 vehicles daily; and

WHEREAS, improved road conditions would greatly accelerate economic development opportunities for communities along the Daniel Boone Parkway corridor; and

WHEREAS, many citizens along the Daniel Boone Parkway have expressed an interest in additional access ramps being constructed on the parkway near Buckhorn Lake and a new multi-county industrial park; and

WHEREAS, it is only prudent to take a broad overlook to consider area economic development needs, both immediate and long-range, when studying needed improvements to the Daniel Boone Parkway; and

WHEREAS, the combination of high accident rates, high traffic counts, limited scheduled pavement improvements, deteriorating pavement conditions, and economic development opportunities requires the state to review the need to redesign and reconstruct all or portions of the Daniel Boone Parkway;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

"Section 3. KRS 224.50-760 is amended to read as follows:

(1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and ***wastewater***[~~waste water~~] treatment facilities, cement kiln dust, gas and oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet;

(b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810, 224.43-815, and 224.46-820 to 224.46-870 but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.46-510(3). The cabinet's regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government***; and***

(e) It is the intent of the General Assembly that the processing of sludge from water treatment facilities and wastewater treatment facilities by composting shall be considered an industrial process. The cabinet shall, when promulgating administrative regulations affecting sludge from water treatment facilities and wastewater treatment facilities, consider the treatment of this sludge by composting as an industrial process. The provisions of this paragraph and subsection (3) of this section shall not apply to a city, county, urban-county government, charter county government, or special district as defined in KRS Chapter 65 that processes its own water treatment or wastewater treatment sludge by composting on property owned or leased by the city, county, urban-county government, charter county government, or special district.

(2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto.

(3) A permit application to establish, operate, or modify a composting site or composting facility for the processing of water treatment sludge or wastewater treatment sludge, shall require immediately the general public notice provided for in subsections (4) and (5) of KRS 224.40-310. If a hearing is requested, no permit to establish, operate, or modify a composting site or facility shall be issued prior to the public hearing. The hearing shall be held within the county where the composting site or facility is located or proposed. Composting of this sludge shall be considered an industrial process.".

(3) Titles, ranks, or spurious phrases shall not be accepted on the filing papers and shall not be printed on the ballots as part of the candidate's name; however, nicknames, initials, and contractions of given names may be accepted as the candidate's name.

(4) The Secretary of State and county clerks shall examine the petitions of all candidates who file with them to determine whether each petition is regular on its face. They shall serve in all elections held in the county during the year, except as provided in KRS Chapter 242. ***If a special election is ordered to be held in a year in which no elections are scheduled, the county executive committee of each political party in each county in the territory affected by the special election shall, not later than twenty-eight (28) days preceding the date of the special election, submit a written list of nominees for precinct election officers to serve in the special election in a manner consistent with the provisions of subsection (2) of this section. The county board of elections in each county in the territory affected by the special election shall, not later than twenty-one (21) days preceding the date of the special election, appoint precinct election officers to serve in the special election in a manner consistent with the provisions of subsections (4), (5), and (6) of this section.*** The State Board of Elections shall promulgate an administrative regulation establishing evaluation procedures which county boards of elections may use to qualify persons nominated to serve as precinct election officers.

(2) The county executive committees of the two (2) political parties having representation on the State Board of Elections may, on or before March 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a lesser number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number, and Social Security number, if available, of each person listed. The lists shall be accompanied by a signed statement from each person stating that he is willing to serve,

(3) The Attorney General shall notify each party state central committee of the duties of the party.

(4) If lists are submitted, the county board of elections shall select one (1) judge at each voting place from each political party's list, and the county board shall select the sheriff from one (1) political party's list and the clerk from the other. If no lists are submitted, the two (2) members of the county board of elections who are appointed by the State Board of Elections may submit lists; and the county board shall select the sheriff and one (1) judge from one (1) list and the clerk and the other judge from the remaining list. If no lists are submitted, the county board shall select the sheriff and one (1) judge from the membership of one (1) party and the clerk and the other judge from the membership of the remaining party. The county board shall, when possible, also appoint an adequate number of alternate precinct election officers from names on the lists which were submitted but which were not selected by the county board as precinct election officers. If alternate precinct election officers are not appointed from the lists of nominees who were not selected as precinct election officers, the county board of elections shall submit its method of selecting alternate precinct election officers to the State Board of Elections for its approval.

(5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the State Board of Elections, the county board shall submit a list of emergency election officer appointments to the State Board of Elections. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. The list of emergency appointments may include qualified voters not affiliated with the two (2) parties represented on the state board. Any emergency appointment shall be made for the next ensuing election only.

(6) ***In addition to precinct election officers appointed under subsection (1) of this section, a county board of elections may appoint up to two (2) additional precinct election officers per precinct with the approval of the State Board of Elections. The state board shall promulgate an administrative regulation establishing conditions under which additional precinct officers may be approved.***

(7) The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems the action is necessary.

(8)[~~(7)~~] The State Board of Elections may require the county board of elections to submit its list of precinct officers for review. The State Board of Elections may, after a hearing, direct the removal of any election officer who the board finds would not fairly administer the state election laws. The state board shall replace any officer so removed. The board shall provide for the method and manner of the hearing by administrative regulation.

(9)[~~(8)~~] An election officer shall be a qualified voter of the precinct; except that, where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(11)[~~(10)~~] Each election officer shall be paid a minimum of sixty dollars ($60) per ***election*** day ***served***, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. For delivering election returns, the ***precinct election***[~~two (2)~~] judges shall receive in addition the mileage reimbursement provided for state employees for each mile necessarily traveled from the place of voting to and from the place of delivery, or a flat fee if the fee equals or exceeds that amount. No change may be made in division boundary lines less than five (5) years after the last change in any division lines, except in case of merger of districts***,***[~~ or~~] a change in territory due to annexation***, or to allow compliance with KRS 117.055(2)***.

(4) (a) Notwithstanding the provisions of subsection (3) of this section, if one hundred (100) residents of a county school district division petition the Kentucky Board of Education stating that the school district divisions are not divided as nearly equal in population as can reasonably be expected, the chief state school officer shall cause an investigation to determine the validity of the petition, the investigation to be completed within thirty (30) days after receipt of the petition.

(b) If the investigation reveals the school district to be unequally divided according to population, the Kentucky Board of Education, upon the recommendation of the chief state school officer, shall order the local board of education to make changes in school district divisions as are necessary to equalize population within the five (5) school divisions.

(c) If any board fails to comply with the order of the Kentucky Board of Education within thirty (30) days or prior to August 1 in any year in which any members of the board are to be elected, members shall be elected from the district at large until the order of the Kentucky Board of Education has been complied with.

(d) No change shall be made in the boundary of any division under the provisions of this subsection after August 1 in the year in which a member of the school board is to be elected from any division.

Any person making an independent expenditure, shall report these expenditures when the expenditures by that person exceed five hundred dollars ($500) in the aggregate in any one (1) election, on a form provided by the registry and shall sign a statement on the form, under penalty of perjury, that the expenditure was an actual independent expenditure and that there was no prior communication with the campaign on whose behalf it was made.

(2) Except as provided in KRS 121.180(10), the solicitation from and contributions by campaign committees, political issues committees, permanent committees, and party executive committees to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good is expressly prohibited; except that it shall not be construed as a violation of this section for a candidate to contribute to religious, civic, or charitable groups.

No person shall make a cash contribution in excess of fifty dollars ($50) in the aggregate in any one (1) election to a candidate, committee, or contributing organization, nor anyone on their behalf.

(5) No candidate, slate of candidates, committee, contributing organization, nor anyone on their behalf, shall accept any contribution in excess of one hundred dollars ($100) from any person who shall not become eighteen (18) years of age on

or before the day of the next general election.

(8) No permanent committee shall contribute funds to another permanent committee for the purpose of circumventing contribution limits of subsection (6) of this section.

(9) No person shall contribute funds to a permanent committee, political issues committee, or contributing organization for the purpose of circumventing the contribution limits of subsection (6) of this section.

(10) No person shall contribute more than one thousand five hundred dollars ($1,500) to all permanent committees and contributing organizations in any one (1) year.

(11) No person shall contribute more than two thousand five hundred dollars ($2,500) to the state executive committee of a political party and its subdivisions and affiliates in any one (1) year. Contributions a person makes to a political party in excess of one thousand dollars ($1,000) in any one (1) year shall be deposited in a separate account which the state executive committee maintains for the exclusive purpose of paying administrative costs incurred by the political party.

(12) No person shall make a payment, distribution, loan, advance, deposit, or gift of money to another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf. No candidate, committee, contributing organization, nor anyone on their behalf shall accept a contribution made by one (1) person who has received a payment, distribution, loan, advance, deposit or gift of money from another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf.

(13) No candidates running as a slate for the offices of Governor and Lieutenant Governor shall make combined total personal loans to their committee in excess of fifty thousand dollars ($50,000) in any one (1) election. No candidate for any other statewide elected state office shall lend to his committee any amount in excess of twenty-five thousand dollars ($25,000) in any one (1) election. In campaigning for all other offices, no candidate shall lend to his committee more than ten thousand dollars ($10,000) in any one (1) election.

(14) ***Subject to the provisions of subsection (20) of this section,*** no candidate or slate of candidates for nomination to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for primary election expenses after the date of the primary. No person other than the candidate or slate of candidates shall contribute for primary election expenses after the date of the primary.

(15) ***Subject to the provisions of subsection (20) of this section,*** no slate of candidates for nomination for election to the offices of Governor and Lieutenant Governor, nor its campaign committees, nor anyone on their behalf, shall solicit or accept contributions for runoff primary election expenses after the date of the runoff primary. No person other than the slated candidates shall contribute for runoff primary election expenses after the date of the runoff primary.

(16) ***Subject to the provisions of subsection (20) of this section,*** no candidate or slate of candidates for any state, county, city, or district office at a regular election, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for regular election expenses after the date of the regular election. No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(17) ***Subject to the provisions of subsection (20) of this section,*** no candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(18) Nothing in subsections (14) to (17) of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(19) The provisions of subsections (14) and (16) of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of subsections (15) and (17) of this section shall apply only to those candidates or slates of candidates in a runoff primary or special election which shall be conducted subsequent to January 1, 1993.

(20) ***A candidate, slate of candidates, or a campaign committee may solicit and accept contributions after the date of a primary election, runoff primary election, regular election, or special election to defray necessary expenses that arise after the date of the election associated with election contests, recounts, and recanvasses of a specific election, complaints regarding alleged campaign finance violations that are filed with the registry pertaining to a specific election, or other legal actions pertaining to a specific election to which a candidate, slate of candidates, or campaign committee is a party. Reports of contributions received and expenditures made after the date of the specific election shall be made in accordance with Section 3 of this Act.***

(21) No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars ($50,000).

(22)[~~(21)~~] No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(23)[~~(22)~~] Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(24)[~~(23)~~] In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the twenty-eight (28) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(25)[~~(24)~~] No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. However, it shall not be a violation of this subsection for a state employee to receive a solicitation directed to him as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees.

(26)[~~(25)~~] (a) A candidate for elective public office, except slates of candidates for Governor and Lieutenant Governor, shall not accept contributions from permanent committees which, in the aggregate, exceed fifty percent (50%) of the total contributions accepted by the candidate in any one (1) election or ten thousand dollars ($10,000) in any one (1) election, whichever is the greater amount. The percentage of the total contributions or dollar amounts of contributions accepted by a candidate in an election that is accepted from permanent committees shall be calculated as of the day of each election. Funds in a candidate's campaign account which are carried forward from one (1) election to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than ***sixty (60)***[~~twenty (20)~~] days following the election so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than ***sixty (60)***[~~twenty (20)~~] days after the end of the election, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(b) The provisions of paragraph (a) of this subsection regarding the receipt of aggregate contributions from permanent committees in any one (1) election shall also apply separately to the receipt of aggregate contributions from executive committees of any county, district, state, or federal political party in any one (1) election.

(27)[~~(26)~~] No candidate or slate of candidates for any office in this state shall accept a contribution, including an in-kind contribution, which is made from funds in a federal campaign account. No person shall make a contribution, including an in-kind contribution, from funds in a federal campaign account to any candidate or slate of candidates for any office in this state.

Section 2. KRS 121.170 is amended to read as follows:

(1) Any committee, except a federally-registered out-of-state permanent committee, organized under any provisions of this chapter shall register with the registry, by filing official notice of intention at the time of organization, giving names, addresses, and positions of the officers of the organization and designating the candidate or candidates, slate of candidates, or question it is organized to support or oppose on forms prescribed by the registry; except that no campaign committee for a slate of candidates for Governor and Lieutenant Governor shall be registered prior to the filing of a joint notification and declaration by the slate of candidates pursuant to KRS 118.125 and 118.127. No entity which is excluded from the definition of "campaign committee" established in KRS 121.015(3)(a) shall be required to register as a committee with the registry. The name of the committee shall reasonably identify to the public the sponsorship and purpose of the committee. The forms filed with the registry shall require the registrant to clearly identify the specific

purpose, sponsorship, and source from which the committee originates; and the registry shall refuse to allow filing by any committee until this requirement has been satisfied.

(2) Any person who acts as a fundraiser by directly soliciting contributions for an election campaign of a candidate or slate of candidates for statewide-elected state office or an office in a jurisdiction containing in excess of two hundred thousand (200,000) residents shall register with the registry when he raises in excess of three thousand dollars ($3,000) in any one (1) election for the campaign committee by filing official notice giving his name, address, occupation, employer or, if he is self-employed, the name under which he is doing business, and all candidates or slates of candidates for whom he is soliciting on forms prescribed by the registry. A registered fundraiser shall comply with the campaign finance reporting requirements of KRS 121.180(3), (4), and (5) and KRS 121A.020(5).

(3) All provisions of KRS 121.160 and 121A.070 governing the duties and responsibilities of a candidate, slate of candidates, or campaign treasurer shall apply to a registered committee, except a federally-registered out-of-state permanent committee, and a person acting as a campaign fundraiser. ***In case of the death, resignation, or removal of a campaign treasurer for a permanent committee or executive committee, the chairman of the permanent committee or executive committee shall, within three (3) days after receiving notice of the vacancy by certified mail, appoint a successor as treasurer for the committee and file the name and address of the successor with the registry. The chairman of the permanent committee or executive committee shall be accountable as the treasurer for the committee if the chairman fails to meet this filing requirement.***

(4) The chairman of a committee and the campaign treasurer shall be separate persons.

(5) Any federally-registered out-of-state permanent committee that contributes to a Kentucky candidate shall:

(a) File with the registry a copy of its federal registration (Federal Election Commission Form 1 - Committee Registration Form);

(b) File with the registry a copy of the Federal Election Commission finance report when a contribution is made to a Kentucky candidate; and

(c) Contribute not more than the maximum amount permitted for a permanent committee to make under Kentucky law to any candidate for any office in this Commonwealth.

(6) Notwithstanding any provision of law to the contrary, a contribution made by a federally-registered permanent committee to any candidate for any office in this Commonwealth that complies with the provisions of 2 U.S.C. sec. 441b, 11 C.F.R. sec. 104.10, 11 C.F.R. sec. 106.6, and 11 C.F.R. sec. 114.1-114.12 regarding limitations on contributions by corporations shall be deemed to comply with the campaign finance laws of this Commonwealth prohibiting corporate contributions to candidates.

(7) The organization, formation, or registration of a permanent committee by any member of the General Assembly shall be prohibited.

Section 3. KRS 121.180 is amended to read as follows:

(1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars ($3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (k)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars ($1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (k)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. For a runoff primary election, a slate of candidates shall file its request for exemption not later than five (5) days after the date of the preceding primary election and shall be bound by its terms unless rescinded in writing not later than ten (10) days after the date of the preceding primary election. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, or runoff primary, if one is held, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.

(d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.

2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.

(e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.

(f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.

(g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

(j) ***A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.***

(k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

(l)[~~(k)~~] 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b),[~~ or~~] (e)***, or (j)*** of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars ($500) plus the amount by which the spending limit was exceeded.

2. (5) In making the preceding reports, the total gross receipts from each of the following categories shall be listed: proceeds from the sale of tickets for events such as testimonial affairs, dinners, luncheons, rallies, and similar fundraising events, mass collections made at the events, and sales of items such as campaign pins, buttons, hats, ties, literature, and similar materials. When any individual purchase or the aggregate purchases of any item enumerated above from any candidate or campaign committee other than a candidate or slate of candidates for a statewide-elected state office or campaign committee for a candidate or slate of candidates for a statewide-elected state office exceeds one hundred dollars ($100), the purchaser shall be identified by name, address, age if less than the legal voting age, occupation, and employer, or if the purchaser is self-employed, the name under which he is doing business, and the amount of the purchase. The lists shall be maintained by the campaign treasurer, political issues committee treasurer, registered

fundraiser, or other sponsor for inspection by the registry for six (6) years following the date of the election.

(6) Each permanent committee, except a federally-registered out-of-state permanent committee, inaugural committee, or contributing organization shall make a full report, upon a prescribed form, to the registry of all money, loans, or other things of value, received by it from any source, and all expenditures authorized, incurred, or made, since the date of the last report, including:

(a) For each contribution of any amount made by a permanent committee, the name and business address of the permanent committee, the date of the contribution, the amount contributed, and a description of the major business, social, or political interest represented by the permanent committee;

(b) For other contributions in excess of one hundred dollars ($100), the full name, address, age if under the legal voting age, the date of the contribution, the amount of the contribution, and the employer and occupation of each contributor. If the contributor is self-employed, the name under which he is doing business shall be listed;

(c) An aggregate amount of cash contributions, the amount contributed by each contributor, and the date of each contribution; and

(d) A complete statement of all expenditures authorized, incurred, or made, including independent expenditures. This report shall be made by a permanent committee, inaugural committee, or contributing organization to the registry on the last day of the first calendar quarter following the registration of the committee with the registry and on the last day of each succeeding calendar quarter until such time as the committee terminates. A contributing organization shall file a report of contributions received and expenditures made on forms prescribed by the registry not later than the last day of each calendar quarter in which contributions are received or expenditures are made. All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.

(7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the final statement. Subsequent supplemental statements shall be filed annually, to be in the hands of the registry or postmarked not later than ten (10) days after November 1 of each year, until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit, or until the year before the candidate seeks to appear on the ballot for the same office for which the funds in the campaign account were originally contributed, in which case the candidate shall file the supplemental annual report not later than ten (10) days after November 1 of that year or at the end of the first calendar quarter of that year after the candidate files his nomination papers for the next year's primary or regular election. All contributions shall be subject to KRS 121.150.

(8) All reports filed under the provisions of this chapter shall be a matter of public record open to inspection by any member of the public immediately upon receipt of the report by the registry. A duplicate copy of each report filed with the registry shall be filed by the candidate, slate of candidates, or committee with the county clerk in the county in which the candidate or persons running as a slate of candidates reside at the same time. County clerks shall maintain these reports for public inspection for a period of one (1) year from the date the last report is required to be filed.

(9) A candidate or slate of candidates is relieved of the duty personally to file reports and keep records of receipts and expenditures if the candidate or slate states in writing or on forms provided by the registry that:

(a) Within five (5) business days after personally receiving any contributions, the candidate or slate of candidates shall surrender possession of the contributions to the treasurer of their principal campaign committee without expending any of the proceeds thereof. No contributions shall be commingled with the candidate's or slated candidates' personal funds or accounts. Contributions received by check, money order, or other written instrument shall be endorsed directly to the campaign committee and shall not be cashed or redeemed by the candidate;

(b) The candidate or slate of candidates shall not make any unreimbursed expenditure for the campaign, except that this paragraph does not preclude a candidate or slate from making an expenditure from personal funds to the designated principal campaign committee, which shall be reported by the committee as a contribution received; and

(c) The waiver shall continue in effect as long as the candidate or slate of candidates complies with the conditions under which it was granted.

(10) No candidate, slate of candidates, campaign committee, political issues committee, or contributing organization shall use or permit the use of contributions or funds solicited or received for the person or in support of or opposition to a public issue which will appear on the ballot to further the candidacy of the person for a different public office, to support or oppose a different public issue, or to further the candidacy of any other person for public office; except that nothing in this subsection shall be deemed to prohibit a candidate or slate of candidates from using funds in the campaign account to purchase admission tickets for any fundraising event or testimonial affair for another candidate or slate of candidates if the amount of the purchase does not exceed one hundred dollars ($100) per event or affair. Any funds or contributions solicited or received by or on behalf of a candidate, slate of candidates, or any committee, which has been organized in

whole or in part to further any candidacy for the same person or to support or oppose the same public issue, shall be deemed to have been solicited or received for the current candidacy or for the election on the public issue if the funds or contributions are solicited or received at any time prior to the regular election for which the candidate, slate of candidates, or public issue is on the ballot. Except as provided in KRS 121A.080(6), any unexpended balance of funds not otherwise obligated for the payment of expenses incurred to further a political issue or the candidacy of a person shall, in whole or in part, at the election of the candidate or committee, escheat to the State Treasury, be returned pro rata to all contributors, or, in the case of a partisan candidate, be transferred to the state or county executive committee of the political party of which the candidate is a member except that a candidate, committee, or an official may retain the funds to further the same public issue or to seek election to the same office or may donate the funds to any charitable, nonprofit, or educational institution recognized under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and any successor thereto.

(11) Any publisher of newspapers or magazines, owner or lessor of billboards, a radio or television station or network, or any other person, company, corporation, or business organization offering its communications or advertising services for hire to the public who receives funds for the purchase of advertising services or material, shall file with the registry***:*** a copy of the material or communication purchased which supports or opposes any slate of candidates or committee ***except for advertising which is purchased by the slate of candidates or committee which may be identified by title only from the copy of the advertisement that the slate is required to file with the registry;*** a copy of the receipt for the funds paid; the name and address of each purchaser; and the source of the funds for the purchase if different than the purchaser. ***If the purchaser is not a slate or agent of the slate, the provider of advertising services may require the purchaser to furnish an additional copy of the printed advertisement or broadcast material, either a script or tape, for the provider to file with the registry.*** All information shall be reported to the registry on the thirtieth day preceding and the thirtieth day following the primary***, runoff primary,*** and regular elections subsequent to the date that the broadcasting or printing of the advertisement occurs. The provisions of this subsection shall apply only to purchases of advertising services or material to support or oppose a slate of candidates for election to the offices of Governor and Lieutenant Governor. Notwithstanding KRS 121.990 and KRS 121A.990, penalties for violation of this subsection shall be assessed in accordance with the provisions of KRS 121.140(2).

Section 4. KRS 121A.060 is amended to read as follows:

(1) The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a primary or regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a primary or regular election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080(4) or (5). A qualifying slate which discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, dispose of qualifying contributions received after the maximum threshold qualifying amount was reached by returning the excess contributions to the contributors. The excess contributions returned to the contributors shall not be considered as qualifying contributions and shall not be matched by transfers from the fund. ***After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers,*** the threshold qualifying amounts shall be increased or decreased ***accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The***[~~in accordance with the consumer price index for all urban workers, and the~~] registry shall make ***the adjustments in the threshold qualifying amounts***[~~that adjustment~~] in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(2) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(3) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and

(d) Any other information reasonably necessary that is required by the registry.

(4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.

(5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(6) A separate determination and certification shall be made for a primary and a regular election.

(7) The certification issued by the registry shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(8) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(9) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(10) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(11) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(12) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(13) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.

(a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;

(b) Placed in the home of his parents, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a family service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that***:*** No child committed under the provisions of KRS 610.010(1)(b), (c), or (d) ***shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;***

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) Treated as provided in KRS Chapter 645;

(f) Following the transfer or placement of a child pursuant to subsections (b), (c), (d), or (e) of this section, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.

(2) ***No***[~~or any~~] child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;

(3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of his parents, the child shall not be removed except in accordance with the following standards and procedures:

(a) If the family service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the family service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(4)[~~(3)~~] The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(5)[~~(4)~~] The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(6)[~~(5)~~] The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 21. KRS 610.110 is amended to read as follows:

(1) The disposition shall determine the action to be taken by the court on behalf of, and in the best interest of, the child under the provisions of KRS Chapter 630 or 635.

(2) At the disposition, all information helpful in making a proper disposition, including oral and written reports, shall be received by the court in compliance with subsection (1) of this section and relied upon to the extent of their probative value, provided that the parties or their counsel shall be afforded an opportunity to examine and controvert the reports.

(3) The court shall***, and the Department of Juvenile Justice may upon request,*** notify the law enforcement agency of the child's ***city,*** county***, or urban-county*** of residence ***as appropriate*** and the law enforcement agencies where any offense was committed of the disposition of each case and of each child committed by the court who is placed in a residential treatment facility by the Department of Juvenile Justice or the cabinet.

(4) If any court commits a child to the Department of Juvenile Justice or the cabinet, a child-caring facility, or child-placing agency, the court shall cause to be transmitted to the Department of Juvenile Justice or the cabinet, facility, or agency, as appropriate, a certified copy of the commitment order, together with a summary of the court's information concerning the child. A certified copy of the court order shall be proof of the authority of the Department of Juvenile Justice or the cabinet, facility, or agency to hold the child. Such certified order shall be sufficient authority for any law enforcement officer to take into custody any person named therein and deliver him to such a place as shall be directed by the Department of Juvenile Justice or the cabinet, facility, or agency given custody of him in the order.

(5) In placing a child on probation in a home or boarding home, or in committing a child to a child-caring facility or child-placing agency, the court shall as far as practicable select a home, facility, or agency operated or governed by persons of a similar religious faith as the parents of the child.

(6) Upon motion of the child and agreement of the Department of Juvenile Justice or the cabinet, as appropriate, the court may authorize an extension of commitment up to age twenty-one (21) for the purpose of permitting the Department of Juvenile Justice or the cabinet, as appropriate, to assist the child in establishing independent living arrangements if a return to the child's home is not in his best interest.

Section 22. KRS 610.320 is amended to read as follows:

(1) A special record book shall be kept by the court for all cases, to be known as the "juvenile record," and the docket or calendar of such cases shall be called the "juvenile docket."

(2) No probation officer, nor employee of a probation officer, shall, without the consent of the District Judge sitting in juvenile session, divulge or communicate to any persons other than the court, ***law enforcement, the Department of Juvenile Justice,*** an officer of the court interested in the case, a member of the advisory board of the court, or a representative of the cabinet, any information obtained pursuant to the discharge of his duties, nor shall any record of the action of the probation officer be made public except by leave of the District Judge; provided, that nothing in this subsection shall prohibit the probation officer from divulging or communicating such information to the court, to his colleagues or superiors in his own department, or to another probation officer having a direct interest in the record or social history of the child.

(3) All law enforcement and court records regarding children who have not reached their eighteenth birthday shall not be opened to scrutiny by the public, except court records, limited to the petition, order of the adjudication, and disposition in juvenile delinquency proceedings concerning a child who is adjudicated a juvenile delinquent for the commission of an offense that would constitute a capital offense or a Class A, B, or C felony if the juvenile were an adult, or any offense involving a deadly weapon, or an offense wherein a deadly weapon is used or displayed. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act is also prohibited. Otherwise, the law enforcement records shall be made available to the child, family, guardian, or legal representative of the child involved. The records shall also be made available to the court, probation officers, ***prosecutors, the Department of Juvenile Justice, and law enforcement agencies*** or representatives of the cabinet. Records, limited to the child's adjudication of delinquency, and disposition of a criminal activity covered by KRS 610.345, shall also be made available to public or private elementary and secondary school administrative and counseling personnel, and to any teacher to whose class the student has been assigned for instruction, subject to the provisions of KRS 610.340 and 610.345.

(4) Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense which

would be a felony if committed by an adult shall be admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial, and may be used during the sentencing phase of a criminal trial. However, the fact that a juvenile has been adjudicated delinquent of an offense which would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication.

(5) This section shall not relieve the probation officer or peace officer from divulging such facts as a witness in a trial or hearing involving any cases falling under KRS Chapters 600 to 645 or the production of juvenile records for use in the trial or proceedings.

(6) This section shall not prohibit release of information regarding juvenile proceedings in the District Court which do not reveal the identity of the child or its parents or guardians, or which relate to the child's eligibility for services under Title IV-E or IV-B of the Federal Social Security Act. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court.

(5) No person, including school personnel, shall disclose any record or any information contained therein except as permitted by this section or other specific section of KRS Chapters 600 to 645, or except as permitted by specific order of the court.

(6) No person, including school personnel, authorized to obtain records pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records to which he is not entitled or for purposes for which he is not permitted to obtain them pursuant to KRS Chapters 600 to 645.

(7) No person, including school personnel, not authorized to obtain records pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records which are made confidential pursuant to KRS Chapters 600 to 645 except upon proper motion to a court of competent jurisdiction.

(8) No person shall destroy or attempt to destroy any record required to be kept pursuant to KRS Chapters 600 to 645 unless the destruction is permitted pursuant to KRS Chapters 600 to 645 and is authorized by the court upon proper motion and good cause for the destruction being shown.

(b) Penalties set by administrative regulation pursuant to this subsection shall be as uniform as practicable throughout all institutions operated by, under contract to, or under the control of the department and shall specify a specific number of days or months of good time forfeited as well as any prohibition imposed on the future earning of good time.

A person who is ordered released on a condition which requires that he return to custody after specified hours shall, upon written application or upon the court's own motion, be entitled to a review by the court which imposed the condition;

(8)[~~(7)~~] If at any time following release of a defendant and before he is required to appear for trial, the court is advised of a material change in the defendant's circumstances or that he has not complied with all conditions imposed upon his release, the court having jurisdiction may: (a) order the arrest of the defendant, (b) enter an order requiring the defendant, his surety or sureties to appear and show cause why the bail bond should not be forfeited or the conditions of his release be changed, or (c) both. A copy of said order shall be served upon the defendant, his surety or sureties. If the defendant fails to appear before the court as ordered or if, after hearing, the court finds the conditions of release have not been complied with, the court may change the conditions imposed or forfeit the bail bond or any portion thereof and enter a judgment for the Commonwealth against the defendant and his surety or sureties for the amount of the bail bond or any portion thereof and cost of the proceedings.

If the person's record indicates a history of controlled substance or alcohol abuse, the court may order the person to submit to periodic testing for use of controlled substances or alcohol and to pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, with the fee to be collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. If the person is declared indigent, the testing fee may be waived by the court. If the court finds the conditions of release have not been complied with, the court may change the conditions imposed or forfeit the bail bond or any portion thereof and enter a judgment for the Commonwealth against the person and his surety or sureties for the amount of the bail bond or any portion thereof and the cost of the proceedings.

(2) A claim form must be filed by the claimant not later than ***five (5) years***[~~one (1) year~~] after the occurrence of the criminally injurious conduct upon which such claim is based, or not later than ***five (5) years***[~~one (1) year~~] after the death of the victim, provided, however, that upon good cause shown, the board may extend the time for filing if, in a particular case, the interest of justice so requires.

(3) Claims shall be filed in the office of the board in person or by mail. Only printed claim forms supplied by the board shall be accepted. The board shall accept for filing all claims submitted by persons eligible under subsection (1) of this section and alleging the jurisdiction requirements set forth in this chapter and meeting the requirements as to form in the rules and regulations of the board.

(4) Upon filing of a claim pursuant to this chapter, the board shall promptly notify the United States attorney (if a federal offense is involved), the Commonwealth's attorney or county attorney of the county wherein the crime is alleged to have occurred. If, within ten (10) days after such notification, such United States attorney, Commonwealth's attorney or county attorney advises the board that a criminal prosecution is pending upon the same alleged crime and requests that action by the board be deferred, the board shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded and shall so notify such United States attorney, Commonwealth's or county attorney, and the claimant. When such criminal prosecution has been concluded such United States attorney, Commonwealth's or county attorney shall promptly so notify the board.    (c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board, for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time.[~~ A six (6) months' progress report will also be required by the board.~~] The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. Replacement of eyeglasses and other corrective lenses shall be included in an award, provided they were broken or damaged during the crime.

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an amount equal to the actual loss sustained; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support. The claimant or victim must have been employed at the time the crime occurred. Said employment shall be verified by the staff of the board after information is provided by the claimant or victim. Should the claimant or victim fail to supply the board with the information requested, the portion of the claim for lost wages or support shall be denied. Law enforcement agencies, county attorneys, and Commonwealth's attorneys and courts shall make every reasonable effort to ensure that victims of crime receive the benefits of the rights set out in KRS 421.500 to 421.575.

(7) In prosecution for offenses listed in this section for the purpose of defining "victim," law enforcement agencies and attorneys for the Commonwealth shall promptly return a victim's property held for evidentiary purposes unless there is a compelling reason for retaining it. Photographs of such property shall be received by the court as competent evidence in accordance with the provisions of KRS 422.350.

(8) A victim or witness who so requests shall be assisted by law enforcement agencies and attorneys for the Commonwealth in informing employers that the need for victim or witness cooperation in the prosecution of the case may necessitate absence of that victim or witness from work.

(9) The Attorney General, where possible, shall provide technical assistance to law enforcement agencies and attorneys for the Commonwealth if such assistance is requested for establishing a victim assistance program.

(10) If a defendant seeks appellate review of a conviction and the Commonwealth is represented by the Attorney General, the Attorney General shall make a reasonable effort to notify victims promptly of the appeal, the status of the case, and the decision of the appellate court.

(3) In ruling on any motion or other request for a delay or continuance of the proceedings, the court shall consider and give weight to any adverse impact the delay or continuance may have on the well-being of a child victim or witness.

Section 42. KRS 346.185 is amended to read as follows:

(1) There is established in the State Treasury the "Crime Victims' Compensation Fund," hereinafter referred to as the "fund," to be administered by the Crime Victims' Compensation Board. In all cases in which defendants plead or are found guilty of a crime as defined in KRS 500.080(2), there shall be imposed as an additional cost the sum of ***twenty***[~~ten~~] dollars ***($20)***[~~($10)~~]. This sum shall not be suspended or probated. This sum shall be collected in its entirety and shall not be prorated. The clerk of the court shall collect the cost and forward it monthly to the State Treasurer, to be deposited in the fund. Nothing herein shall be construed to limit the power of the court to order additional forms of restitution including public or charitable work or reparation to the victim, to the fund, or otherwise as authorized by law.

(2) The fund shall consist of moneys from the following: appropriations by the General Assembly; the federal government; payments by the defendant pursuant to subsection (1) of this section and any other public or private source. Any unexpended balance remaining in the fund at the end of the biennium shall not lapse and be transferred to the general fund, but shall remain in the crime victims' compensation fund. Any funds not utilized by the board shall be used to provide assistance to programs for victims and the board shall allocate such funds to any agency providing services to victims. In the event there are insufficient funds in the fund to pay all claims in full, all claims shall be paid at seventy percent (70%). If there are no moneys in the fund, then no claim shall be paid until moneys have again accumulated. In addition to payment of claims, moneys in the fund shall be used to pay all the necessary and proper expenses of the Crime Victims' Compensation Board.

(3) When judgment is entered against a defendant as provided in this section and each sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the State of Kentucky to such defendant an amount equal to the unpaid amount of the judgment. The amount shall be paid to the crime victims' compensation fund and satisfaction of the judgment shall be entered on the court record. SECTION 44. A NEW SECTION OF KRS CHAPTER 26A IS CREATED TO READ AS FOLLOWS:

(1) The Court shall collect the crime victim compensation fee specified in KRS 346.185 when court costs are collected. The fee shall be forwarded by the Circuit Clerk to the State Treasurer at the time costs are transferred to the State Treasurer.

(2) The collection of crime victim compensation fees shall be accounted for as a separate item to the State Treasurer and the Administrative Office of the Courts.

SECTION 45. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

(1) Restitution to a named victim, if there is a named victim, shall be ordered in a manner consistent, insofar as possible, with the provisions of this section and Sections 46, 47, 48, and 49 of this Act in addition to any other part of the penalty for any offense under this chapter. The provisions of this section shall not be subject to suspension or nonimposition.

(2) If pretrial diversion is granted, restitution shall be a part of the diversion agreement.

(3) If probation, shock probation, conditional discharge, or other alternative sentence is granted, restitution shall be a condition of the sentence.

(4) If a person is sentenced to incarceration and paroled, restitution shall be made a condition of parole.

SECTION 46. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

When a judge orders restitution, the judge shall:

(1) Order the restitution to be paid to a specific person or organization through the circuit clerk, who shall disburse the moneys as ordered by the court;

(4) Set the amount and frequency of each restitution payment or require the payment to be made in a lump sum;

(5) Monitor the payment of the restitution to assure that payment is being made;

(6) If restitution is not being paid as ordered, hold a hearing to determine why the restitution is not being paid;

(7) If the restitution is not being paid and no good reason exists therefor, institute sanctions against the defendant; and

(8) Not release the defendant from probation supervision until restitution has been paid in full and all other aspects of the probation order have been successfully completed.

SECTION 47. A NEW SECTION OF KRS CHAPTER 439 IS CREATED TO READ AS FOLLOWS:

(1) When there is an identified victim of a defendant's crime to whom restitution has been ordered but not yet paid in full, or restitution has been ordered paid to a government agency and has not yet been paid in full, the Parole Board shall order the defendant to pay restitution as a condition of parole.

(2) When the Parole Board orders restitution, the board shall:

(a) Order the restitution to be paid to a specific person or organization through the Division of Probation and Parole, which shall disburse the moneys as ordered by the board;

(b) The Division of Probation and Parole shall be responsible for overseeing the collection of the restitution;

(c) Set the amount of restitution to be paid, if not already set;

(d) Set the amount and frequency of each restitution payment or require the payment to be made in a lump sum;

(e) Monitor the payment of the restitution to assure that payment is being made;

(g) If the restitution is not being paid and no good reason exists therefor, institute sanctions against the defendant; and

(h) Not release the defendant from parole supervision until restitution has been paid in full.

(3) The board, in addition to any other sanctions which may be imposed on the defendant, ask a court to hold a defendant who is not paying restitution in the manner or amount prescribed in contempt of court.

(4) Any statute relating to the length of parole supervision notwithstanding, the parole for a person owing restitution shall be until the restitution is paid in full, even if this would lengthen the period of supervision beyond the statutory limit of parole supervision or the statutory limit for serving out the sentence imposed.

(5) Payment of restitution in full prior to the end of the period of parole supervision shall not shorten the period of parole supervision.

Section 48. KRS 533.020 is amended to read as follows:

(1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation.

(2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.

(3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.

(4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and

at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years***, or the time necessary to complete restitution, whichever is longer,*** upon conviction of a felony nor two (2) years***, or the time necessary to complete restitution, whichever is longer,*** upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.

(5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 49. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

(d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

(e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;

(f) Support his dependents and meet other family responsibilities;

(g) Pay the cost of the proceeding as set by the court;

(h) Remain within a specified area;

(i) Report to the probation officer as directed;

(j) Permit the probation officer to visit him at his home or elsewhere;

(k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and

(l) If the defendant's record indicates a controlled substance or alcohol problem, submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, said fee to be collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a)[~~ Restitution by payment may be ordered in a lump sum or in specified payments;~~

~~(b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered~~

~~by the court;~~

~~(c)~~] Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

[~~(d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;~~]

(b)[~~(e)~~]The circuit clerk shall assess an additional fee of ***five***[~~two~~] percent ***(5%)***[~~(2%)~~] to defray the administrative costs of collection of payments or property. (4) The actual time of release within the maximum established by subsection (1), or as modified pursuant to KRS 532.070, shall be determined under procedures established elsewhere by law.

Section 71. KRS 532.030 is amended to read as follows:

(1) When a person is convicted of a capital offense he shall have his punishment fixed at death, ***or at a term of imprisonment for life without benefit of probation or parole,*** or at a term of imprisonment for life without benefit of probation or parole until he has served a minimum of twenty-five (25) years of his sentence, or to a sentence of life, or to a term of not less than twenty (20) years ***nor more than fifty (50) years***.

(b) A fine authorized by KRS Chapter 534; or

(c) Both imprisonment and a fine unless precluded by the provisions of KRS Chapter 534.

(4) In all cases in which the death penalty may be authorized the judge shall instruct the jury in accordance with subsection (1) of this section. Section 72. KRS 532.025 is amended to read as follows:

(1) (a) Upon conviction of a defendant in cases where the death penalty may be imposed, a hearing shall be conducted. In such hearing, the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas; provided, however, that only such evidence in aggravation as the state has made known to the defendant prior to his trial shall be admissible. Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense that would be a felony if committed by an adult shall be admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial and may be used during the sentencing phase of a criminal trial; however, the fact that a juvenile has been adjudicated delinquent of an offense that would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or IV-B of the Federal Social Security Act is also prohibited. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments, the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment;

(b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant. Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.

(2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

(a) Aggravating circumstances:

1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions;
2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, rape in the first degree, or sodomy in the first degree;
3. The offender by his act of murder, armed robbery, or kidnapping knowingly created a great risk of death to more than one (1) person in a public place by means of a destructive device, weapon, or other device which would normally be hazardous to the lives of more than one (1) person;
4. The offender committed the offense of murder for himself or another, for the purpose of receiving money or any other thing of monetary value, or for other profit;
5. The offense of murder was committed by a person who was a prisoner and the victim was a prison employee engaged at the time of the act in the performance of his duties;
6. The offender's act or acts of killing were intentional and resulted in multiple deaths;~~[and]~~
7. The offender's act of killing was intentional and the victim was a state or local public official or police officer, sheriff, or deputy sheriff engaged at the time of the act in the lawful performance of his duties;
8. ***The offender murdered the victim when an emergency protective order or a domestic violence order was in effect, or when any other order designed to protect the victim from the offender, such as an order issued as a condition of a bond, conditional release, probation, parole, or pretrial diversion, was in effect; and***
9. ***The offender's act of murder was premeditated and the result of substantial planning. The planning must be as to the commission of the murder itself and not simply as to the commission or attempted commission of any underlying felony.***

(b) Mitigating circumstances:

1. The defendant has no significant history of prior criminal activity;
2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime;
3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act;
4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime;
5. The defendant was an accomplice in a capital offense committed by another person and his participation in the capital offense was relatively minor;
6. The defendant acted under duress or under the domination of another person even though the duress or the domination of another person is not sufficient to constitute a defense to the crime;
7. At the time of the capital offense, the capacity of the defendant to appreciate the criminality of his conduct to the requirements of law was impaired as a result of mental illness or retardation or intoxication even though the impairment of the capacity of the defendant to appreciate the criminality of his conduct or to conform the conduct to the requirements of law is insufficient to constitute a defense to the crime;~~[and]~~
8. The youth of the defendant at the time of the crime***; and***

9. Although the evidence suffices to sustain the verdict, it does not foreclose doubt respecting the defendant's guilt.

(3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, ***or imprisonment for life without benefit of probation or parole,*** or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In nonjury cases, the judge shall make such designation. In all cases unless at least one (1) of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty***, or imprisonment for life without benefit of probation or parole,*** or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed.

Section 73. KRS 533.010 is amended to read as follows:

(1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, probation with an alternative sentencing plan, or conditional discharge as provided in this chapter.

(2) Before imposition of a sentence of imprisonment, the court shall consider~~[the possibility of]~~ probation, probation with an alternative sentencing plan, or conditional discharge. ***Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge,*** after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation~~[, probation with an alternative sentencing plan,]~~ or conditional discharge ***shall***~~[should]~~ be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:

(a) There is substantial risk that during a period of probation~~[, probation with an alternative sentencing plan,]~~ or conditional discharge the defendant will commit another crime;

(b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(3) ***In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:***

(a) There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;

(b) The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(4) The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the fact that:

(a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;

(b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or

(c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.

(5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.

(6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:

(a) To a halfway house for no more than twelve (12) months;

(b) To home incarceration with or without work release for no more than twelve (12) months;

(c) To jail for a period not to exceed twelve (12) months with or without work release, community service and

other programs as required by the court;

(d) To a residential treatment program for the abuse of alcohol or controlled substances; or

(e) To any other specified counseling program, rehabilitation or treatment program, or facility.

(7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence, and commit the defendant to an institution.

(8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:

(a) A defendant sentenced to a halfway house shall:

1. Be working or pursuing his or her education, or be enrolled in a full-time treatment program;

2. Pay restitution during the term of probation; and

3. Have no contact with the victim of the defendant's crime;

(b) A defendant sentenced to home incarceration shall:

1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;

2. Pay restitution during the term of home incarceration;

3. Enter a treatment program, if appropriate;

4. Pay all or some portion of the cost of home incarceration as determined by the court;

5. Comply with other conditions as specified; and

6. Have no contact with the victim of the defendant's crime;

(c) A defendant sentenced to jail with community service shall:

1. Pay restitution during all or some part of the defendant's term of probation; and

2. Have no contact with the victim of the defendant's crime; or

(d) A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:

1. Undergo mandatory drug screening during term of probation;

2. Be subject to active, supervised probation for a term of five (5) years;

3. Undergo aftercare as required by the treatment program;

4. Pay restitution during the term of probation; and

5. Have no contact with the victim of the defendant's crime.

(9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.

(10) Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030(6).

(11) The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.

(12) When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.

(13) The jailer in each county incarcerating Class D felons may deny work release privileges to any defendant for violating standards of discipline or other jail regulations. The jailer shall report the action taken and the details of the violation on which the action was based to the court of jurisdiction within five (5) days of the violation.

(14) The Department of Corrections shall, by administrative regulation, develop written criteria for work release privileges granted under this section.

(15) The court shall enter into the record written findings of fact and conclusions of law when considering implementation of any sentence under this section.

Section 74. KRS 532.020 is amended to read as follows:

(1) Any offense defined outside this code for which a law outside this code provides a sentence to a term of imprisonment in the state~~[penitentiary or reformatory]~~ for:

(a) At least one (1) but not more than five (5) years shall be deemed a Class D felony;

(b) At least five (5) but not more than ten (10) years shall be deemed a Class C felony;

(c) At least ten (10) but not more than twenty (20) years shall be deemed a Class B felony;

(d) For ***at least*** twenty (20) ***but not***~~[or]~~ more ***than fifty (50)*** years ***or for life*** shall be deemed a Class A felony.

(2) Any offense defined outside this code for which a law outside this code provides a sentence to a definite term of imprisonment with a maximum which falls between ninety (90) days and twelve (12) months shall be deemed a Class A misdemeanor.

(3) Any offense defined outside this code for which a law outside this code provides a sentence to a definite term of imprisonment with a maximum of less than ninety (90) days shall be deemed a Class B misdemeanor.

(4) Any offense defined outside this code for which a law outside this code provides a sentence to a fine only or to any other punishment, whether in combination with a fine or not, other than death or imprisonment shall be deemed a violation.

Section 75. KRS 532.050 is amended to read as follows:

(1) No court shall impose sentence for conviction of a felony, other than a capital offense, without first ordering a presentence investigation after conviction and giving due consideration to a written report of the investigation. The presentence investigation report shall not be waived; however, the completion of the presentence investigation report may be delayed until after sentencing upon the written request of the defendant if the defendant is in custody and is ineligible for probation or conditional discharge.

(2) The report shall be prepared and presented by a probation officer and shall include an analysis of the defendant's history of delinquency or criminality, physical and mental condition, family situation and background, economic status, education, occupation, personal habits, and any other matters that the court directs to be included.

(3) Before imposing sentence for a felony conviction, the court may order the defendant to submit to psychiatric observation and examination for a period not exceeding sixty (60) days. The defendant may be remanded for this purpose to any available clinic or mental hospital or the court may appoint a qualified psychiatrist to make the examination.

(1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.

(2) The fees shall be as follows:

(a) For a felony, not less than ten dollars ($10) per month while on active supervision nor more than two thousand five hundred dollars ($2,500) ***per year***.

(b) For a misdemeanor, not less than ten dollars ($10) per month while on active supervision nor more than five hundred dollars ($500) ***per year***, except as provided in subsection (13) of this section.

(3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.

(4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.

(5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanant probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.

(6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

(a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.

(b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.

(7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

(11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.

(12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its

supervision, keep an account of all payments made and report delinquencies to the releasing authority.

(13) In counties containing a city of the first class or an urban-county form of government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanant probation and work release program of the county containing a city of the first class or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanant defendant placed under the supervision of an adult misdemeanant probation and work release program of a county containing a city of the first class or an urban-county government shall be not less than one hundred dollars ($100) nor more than five hundred dollars ($500) ***per year***. All sums paid by the defendant under this subsection shall be paid into the general fund of the county containing a city of the first class or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county containing a city of the first class or urban-county involved. The adult misdemeanant probation and work release program of the county containing a city of the first class or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk, and report delinquencies to the court.

The child shall then be proceeded against in the Circuit Court as an adult, except as otherwise provided in this chapter.

SECTION 175. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

(1) If the criminal garnishment is made upon the convicted person's earnings, the order of garnishment shall be a lien upon the earnings from the date of service on the garnishee until an order discontinuing the lien is entered. A convicted person may challenge the garnishment by filing a challenge to the garnishment with the sentencing court. (1) The cabinet or its agent designated in writing for that purpose may deny any person an operator's license or may suspend the operator's license of any person, or, in the case of a nonresident, withdraw the privilege of operating a motor vehicle in this state, subject to a hearing and with or without receiving a record of conviction of that person of a crime, if the cabinet has reason to believe that:

(a) That person has committed any offenses for the conviction of which mandatory revocation of a license is provided by KRS 186.560.

(b) That person has, by reckless or unlawful operation of a motor vehicle, caused, or contributed to an accident resulting in death or injury or serious property damage.

(c) That person has a mental or physical disability that makes it unsafe for him to drive upon the highways. The Transportation Cabinet shall, by administrative regulations promulgated pursuant to KRS Chapter 13A, establish a medical review board to provide technical assistance in the review of the driving ability of these persons. The board shall consist of licensed medical and rehabilitation specialists. The non-state government members of the Medical Review Board shall be paid a fee of one hundred dollars ($100) per day plus reasonable expenses for performing this service.

(d) That person is an habitually reckless or negligent driver of a motor vehicle or has committed a serious violation of the motor vehicle laws.

(e) That person has been issued a license without making proper application for it, as provided in KRS 186.412 and administrative regulations promulgated pursuant to KRS Chapter 13A.

(f) A person required by KRS 186.480 to take an examination has been issued a license without first having passed the examination.

(g) That person has been convicted of assault and battery resulting from the operation of a motor vehicle.

(h) That person has failed to appear pursuant to a citation or summons issued by a law enforcement officer of this Commonwealth or any other jurisdiction.

(j) That person has failed to provide proof of motor vehicle security pursuant to KRS 186A.040.

(2) The cabinet shall deny any person a license or shall suspend the license of an operator of a motor vehicle upon receiving written notification from the Cabinet for Human Resources that the person has a child support arrearage which equals or exceeds the cumulative amount which would be owed after one (1) year of nonpayment ***or failure, after receiving appropriate notice, to comply with a subpoena or warrant relating to paternity or child support proceedings, as provided by 42 U.S.C. sec. 651 et seq.***; except that any child support arrearage which exists prior to January 1, 1994, shall not be included in the calculation to determine whether the license of an operator of a motor vehicle shall be denied or suspended. The denial or suspension shall continue until the arrearage has been eliminated,[~~or~~] payments on the child support arrearage are being made in accordance with a court or administrative order***, or the person complies with the subpoena or warrant relating to paternity or child support***. Before the license may be reinstated, proof of elimination of the child support arrearage ***or proof of compliance with the subpoena or warrant relating to paternity or child support proceedings as provided by 42 U.S.C. sec. 666(a)(16)*** from the ***court where the action is pending or the*** Cabinet for Human Resources shall be received by the Transportation Cabinet as prescribed by administrative regulations promulgated by the Cabinet for Human Resources and the Transportation Cabinet.

Upon determining that the action is warranted, the cabinet shall notify the person in writing by mailing the notice to the person by first class mail to the last known address of the person. The hearing shall be automatically waived if not requested within twenty (20) days after the cabinet mails the notice. The hearing shall be scheduled as early as practical within twenty (20) days after receipt of the request at a time and place designated by the cabinet. (4) The cabinet may suspend the operator's license of any resident upon receiving notice of the conviction of that person in another state of an offense there which if committed in this state would be grounds for the suspension or revocation of an operator's license. If a person so convicted is not the holder of a Kentucky operator's license, the cabinet shall deny him a license for the same period as if he had possessed a license and license had been suspended. The cabinet may, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws, forward a notice of that person's conviction to the proper officer in the state of which the convicted person is a resident.

(5) The Transportation Cabinet is forbidden from suspending or revoking an operator's license or assessing points or any other form of penalty against the license holder for speeding violations or speeding convictions from other states. Section 16. KRS 403.090 is amended to read as follows:

(1) The fiscal court of any county may, by resolution, authorize the appointment of a "friend of the court." The person appointed to the office of friend of the court shall serve at the pleasure of, and subject to removal by, the appointing authority. The person appointed shall be a licensed practicing attorney. The appointed person shall take the constitutional oath of office and shall give bond in such sum as may be fixed by the appointing judge or judges.

(2) ***Except for those cases administered pursuant to 42 U.S.C. sec. 651 et seq.,*** it shall be the duty of the friend of the court to supervise and enforce the payment of sums ordered or adjudged by the Circuit Court in divorce actions to be paid for the care and maintenance of minor children. All persons who have been ordered or adjudged by the court, in connection with divorce actions, to make payments for the care and maintenance of children, shall, if so ordered by the court, make such payments to the friend of the court***.***~~[, and]~~ The friend of the court shall see that the payments***, except for those cases administered pursuant to 42 U.S.C. sec. 651 et seq.,*** are properly applied in accordance with the order or judgment. However, if the court so directs, the payments may be made through the juvenile session of District Court of the county; in such case the friend of the court shall render such assistance as may be required in keeping records concerning such payments and in the enforcement of delinquent payments, and the Circuit Court may direct that a designated amount or portion of the funds appropriated by the fiscal court for expenses of the friend of the court be paid to the juvenile session of District Court as reimbursement for the expenses incurred by the juvenile session of District Court in connection with

the handling of such payments. The friend of the court shall promptly investigate all cases where payments have become delinquent, and when necessary shall cause the delinquent person to be brought before the court for the purpose of compelling payment. The friend of the court shall ascertain the facts concerning the care, custody, and maintenance of children for whom payments are being made, and shall report to the court all cases in which the children are not receiving proper care or maintenance, or in which the person having custody is failing to furnish proper custody. He shall make such other reports to the court as the court may require.

(3) ***In the event that a waiver is granted under 42 U.S.C. sec. 651 et seq., allowing payment of wage withholding collections to be directed to the friend of the court, an obligor shall be given the option of payment either to the friend of the court or the centralized collection agency.***

(4) In any action for divorce where the parties have minor children, the friend of the court, if requested by the trial judge, shall make such investigation as will enable the friend of the court to ascertain all facts and circumstances that will affect the rights and interests of the children and will enable the court to enter just and proper orders and judgment concerning the care, custody, and maintenance of the children. The friend of the court shall make a report to the trial judge, at a time fixed by the judge, setting forth recommendations as to the care, custody, and maintenance of the children. The friend of the court may request the court to postpone the final submission of any case to give the friend of the court a reasonable time in which to complete the investigation.

(5)[~~(4)~~] The friend of the court shall have authority to secure the issuance by the court of any order, rule, or citation necessary for the proper enforcement of orders and judgments in divorce actions concerning the custody, care and maintenance of children. In performing duties under subsection ***(4)***[~~(3)~~] of this section the friend of the court shall attend the taking of depositions within the county, and shall have authority to cross-examine the witnesses. In the case of depositions taken on interrogatories, the friend of the court may file cross interrogatories. The friend of the court shall be duly notified of the time and place of the taking of depositions in all divorce actions where the parties have minor children, and shall attend the taking of all such depositions when the friend of the court deems it necessary for the protection of the minor children, or when the friend of the court may be directed by the court to attend.

(6)[~~(5)~~] The friend of the court shall not directly or indirectly represent any party to a divorce action except as herein authorized to represent the minor children of parties to a divorce action, but if an allowance is made for the support of a spouse and an infant child or children, may proceed to enforce the payment of the allowance made to the spouse also.

(7)[~~(6)~~] Where a friend of the court is acting as a designee of the cabinet pursuant to KRS 205.712 and an applicant for Title IV-D services pursuant to KRS 205.721 has requested a modification of an existing child support order pursuant to a divorce or other judicial order, the friend of the court shall seek the modification, providing all jurisdictional requirements are met. The friend of the court's representation shall extend only for the limited purpose of seeking a modification of an existing child support order consistent with the provisions of KRS 403.212.

(8)[~~(7)~~] The fiscal court of any county which has authorized the appointment of a friend of the court under this section shall, by resolution, fix a reasonable compensation for the friend of the court and make a reasonable allowance for necessary expenses, equipment and supplies, payable out of the general fund of the county, upon approval of the appointing judge or judges.

If domestic violence and abuse, as defined in KRS 403.720, is alleged by either party, the party filing the petition shall certify the existence and status of any domestic violence protective orders. The party filing the petition and alleging the abuse may substitute the party's attorney's address as the address of the party and any minor children;

(b) The date of the marriage and the place at which it was registered;

(c) That the parties are separated and the date on which the parties separated;

(d) The names, ages, ***social security numbers,*** and addresses of any living infant children of the marriage, and whether the wife is pregnant;

(5) Previously existing defenses to divorce and legal separation, including but not limited to condonation, connivance, collusion, recrimination, insanity, and lapse of time, are abolished.

(6) The court may join additional parties proper for the exercise of its authority to implement this chapter.

(7) When the wife is pregnant at the time the petition is filed, the court may continue the case until the pregnancy is terminated.

Section 18. KRS 403.160 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) (a) In a proceeding for dissolution of marriage, legal separation, or child support, either party, with notice to the opposing party, may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(2)(g)***, and the social security numbers of all parties subject to the motion***. The court shall, within fourteen (14) days from the filing of said motion, order an amount of temporary child support based upon the child support guidelines as provided by law, and the ordered child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court.

(b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection. Pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.

(3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.

(4) ***If the court or agent of the court is made aware that there is reasonable evidence of domestic violence or child abuse, the court shall determine whether disclosure to any other person of the information could be harmful to the parent or child, and if the court determines that disclosure to any person could be harmful, the court and its agents shall not make the disclosure.***

(5) On the basis of the showing made and in conformity with KRS 403.200, the court may issue a temporary injunction or restraining order and an order for temporary maintenance in amounts and on terms just and proper in the circumstances.

(6)[~~(5)~~] A temporary order or temporary injunction:

(a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and

(c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

Section 19. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined parental income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court shall allocate between the parents, in proportion to their adjusted gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.

(7) (a) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and

2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.

(b) If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their adjusted gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars ($100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

(9) ***The court order shall include the social security numbers of all parties subject to a support order.***

(10)In any case administered by the Cabinet for Human Resources, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Human Resources may, upon application, enroll the child.

(11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by Section 2 of this Act.

(12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Human Resources shall transfer notice of the provision for coverage for the child to the employer which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.

(13) Notwithstanding any other provision of this section, any wage or income shall not be exempt for attachment or assignment for the payment of current child support or owed or to be owed child support.

Section 20. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, ***retirement and pension funds,*** commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to ***public assistance as defined under Title IV-A of the Social Security Act***[~~Aid to Families with Dependent Children (AFDC)~~], and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

(e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.

(f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(g) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:

1. The cost of health insurance coverage for the child;
2. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
3. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
4. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.

(3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars ($60) per month.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(6) The child support guidelines table is as follows:

Section 21. KRS 405.465 is amended to read as follows:

(1) This section shall apply only to those child support, medical support, maintenance, and medical support insurance orders that are established, modified, or enforced by the Cabinet for Human Resources or those court orders obtained in administering Part D, Title IV of the Federal Social Security Act.

(2) All child support orders and medical support insurance orders being established, modified, or enforced by the Cabinet for Human Resources, or those orders obtained pursuant to the administration of Part D, Title IV of the Federal Social Security Act, shall provide for income withholding which shall begin immediately.

(3) The court shall order either or both parents who are obligated to pay child support, medical support, or maintenance under this section to assign to the Cabinet for Human Resources[~~ or the domestic relations clerk of the court or other officer designated by the court to receive the payment,~~] that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered by the court.

(4) The order shall be binding upon the employer or any subsequent employer upon the service by certified mail of a copy of the order upon the employer and until further order of the court. The employer may deduct the sum of one dollar ($1) for each payment made pursuant to the order.

(5) The employer shall notify the cabinet when an employee, for whom a wage withholding is in effect, terminates employment and provide the terminated employee's last known address and the name and address of the terminated employee's new employer, if known.

(6) Any assignment made pursuant to court order shall have priority as against any attachment, execution or other assignment, unless otherwise ordered by the court.

(7) No assignment under this section by an employee shall constitute grounds for dismissal of the obligor, refusal to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

Section 22. KRS 405.430 is amended to read as follows:

(1) ***When a parent presents himself to the cabinet for the voluntary establishment of paternity and clear evidence of parentage is not present, the cabinet shall pay when administratively ordered the cost of genetic testing to establish paternity, subject to recoupment from the alleged father when paternity is established.***

(2) The cabinet shall obtain additional testing in any case if an original test is contested, upon request and advance payment by the contestant.

(3) In a contested paternity case, the child, the mother, and the putative father shall submit to genetic testing upon a request of any of the parties, unless the person or guardian of the person who is requested to submit to genetic testing shows good cause, taking into account the best interests of the child, why the genetic tests cannot be performed. The request shall be supported by a sworn statement of the party, requesting that the test be performed, which shall include the information required by 42 U.S.C. sec. 666(a)(5)(B)(i) or (ii).

(4) When a parent who fails to support a child is not obligated to provide child support by court order, the cabinet may administratively establish a child support obligation based upon a voluntary acknowledgment of paternity as set forth in KRS Chapter 406, the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.

(5)[~~(2)~~] The cabinet shall recognize a voluntary acknowledgment of paternity as a basis for seeking a support order, irrespective of the alleged father's willingness to consent to a support order.

(6)[~~(3)~~] ***When in the best interest of the child,*** the cabinet may ***review and adjust***[~~modify~~] a parent's child support obligation or child care obligation as established by the cabinet*, upon a request of the cabinet when an assignment has been made,*[~~ on its own~~] or upon *either*[~~a~~] parent's petition *if the amount of the child support awarded under the order differs from the amount that would be awarded in accordance with Section 20 of this Act. The cabinet shall notify parents at least once every three (3) years of the right to a review*[~~, but only upon a finding of the conditions described for judicial modification of a support order~~].

(7)[~~(4)~~] In establishing or modifying a parent's monthly child support obligation, the cabinet may *use automated methods to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the adjustment to eligible orders in accordance with Section 20 of this Act. The cabinet shall* utilize information*, including financial records,* about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.

(8) In cases in which past due support is owed for a child receiving public assistance under Title IV-A of the Federal Social Security Act, the cabinet shall issue an administrative order, or seek a judicial order, requiring the obligated parent to participate in work activities, unless the parent is incapacitated as defined by 42 U.S.C. sec. 607.

(9) The cabinet may disclose financial records only for the purpose of establishing, modifying, or enforcing a child support obligation of an individual. A financial institution shall not be liable to any individual for disclosing any financial record of the individual to the cabinet attempting to establish, modify, or enforce a child support obligation.

(5) If the cabinet elects to conduct the modification review as specified in subsection (6) of Section 22 of this Act, either party may contest the adjustment to the obligation amount within thirty (30) days after the date of the notice of the adjustment by requesting a review under subsection (1) of this section, and if appropriate, a request for adjustment of the order as permitted by this chapter.

Section 25. KRS 405.467 is amended to read as follows:

(1) All support orders issued by the Cabinet for Human Resources, including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.

(2) In any case in which a ***support order was issued in the state prior to October 1, 1994, and in which a*** parent is required to pay court ordered or administratively determined child support, medical support, maintenance, and medical support insurance, ***and*** wage withholding is not in effect, and an arrearage accrues that is equal to the amount of support payment for one (1) month, upon request of the absent parent, request of the custodial parent, or upon administrative determination, the secretary shall issue an order for withholding of earnings of the parent as is necessary to comply with the order plus interest at the legal rate on the arrearage, if any***, without the need for a judicial or administrative hearing***.

(3) In any case in which a parent is required either by court order or administrative order to provide medical insurance coverage for the child and the parent has failed to make application to obtain coverage for the child, the secretary shall issue an order for withholding of the employee's share, if any, of premiums for health coverage and to pay the share of premiums to the insurer***, without the need for a judicial or administrative hearing***.

(4) ***The cabinet shall advise the obligated parent that a wage withholding has commenced by sending a copy of the order to withhold at the same time that the order is sent to the employer***[~~Advance notice shall be sent to the obligor prior to the issuance of the order to withhold earnings~~]. The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will ***continue***[~~occur, based on an evaluation of the facts within forty-five (45) days from the date of the advance notice. The cabinet shall notify the obligor of the decision of whether the withholding is to occur, the date on which it will begin, and shall furnish the obligor with the information contained in any order served on the employer with respect to the withholding~~].

The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or Family Court of competent jurisdiction may set aside the cabinet's proportional allocations as to the custodial parent.

(8) If the amounts to be withheld preclude collection of the total amount of combined child support and medical support due to the limits of the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b), the actual amount received shall be applied first to the current monthly child support obligation amount. Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively-ordered or judicially-ordered medical support obligation.

(9) ***The employer shall forward to the Cabinet for Human Resources that portion of salary or wages of the parent due***

and to be due in the future as will be sufficient to pay the child support amount ordered.

The recordation shall constitute notice of both the original amount of child support due and all subsequent amounts due by the same obligor. Upon request, an authorized agent of the party which filed the notice of interstate lien shall disclose the specific amount of liability to any interested party legally entitled to that information. The notice, when so filed, shall be conclusive notice to all persons of the lien on the property having legal situs in that county. The clerk shall be entitled to a fee of ten dollars ($10) for filing the lien and the same fee for releasing the lien.

(3) A child support lien created in another state shall be on a parity with state, county, and municipal ad valorem tax liens, and superior to the lien of any mortgage or other encumbrance created after the notice of interstate lien is recorded; however, it shall be subordinate to any child support lien which has been filed by the cabinet as to the same obligor and property.

(4) The authority by which the child support lien is created in another state and filed in this state shall be certified on the notice of interstate lien by a person who is authorized to certify on behalf of the party that is filing the notice of interstate lien.

The Department of Local Government may grant an amount up to ***five hundred thousand dollars ($500,000)***[~~one hundred thousand dollars ($100,000)~~] for any one (1) project, which amount shall not exceed fifty percent (50%) of the cost of the entire project. (2) "Regularly practice" means to practice for more than sixty (60) days within any ninety (90) day period.

(3) "Sponsoring organization" means any organization, with an established relationship with a practicing entity, that organizes or arranges for the voluntary provision of health care services in the state.

SECTION 2. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any provision of law to the contrary, no additional license or certificate otherwise required under the provisions of KRS Chapters 211, 216, 311, 312, 313, or 314 shall be necessary for the voluntary provision of health care services by any person who:

(a) Is a charitable health care provider as defined in Section 1 of this Act; or

(b) Does not regularly practice in the Commonwealth.

(2) No person whose license or certificate is suspended or revoked under disciplinary proceedings in any jurisdiction, nor any person who renders services outside of the scope of practice authorized by his or her licensure or certification, or exception to license or certification shall be allowed to participate with any sponsoring organization as a charitable health care provider.

(3) Before providing charitable health care services in this state, a charitable health care provider or sponsoring organization shall register with the Cabinet for Human Resources by submitting a registration fee of fifty dollars ($50) and filing a registration form that shall contain the following information:

(e) Information as to any medical malpractice insurance procured under Section 6 of this Act or otherwise; and

(f) Other information as the cabinet may require by administrative regulation.

(4) The cabinet shall provide, upon request of the charitable health care provider or sponsoring organization, any information available as to declared emergencies, underserved populations, and lack of access to health care in the state that will assist the charitable health care provider or sponsoring organization in the provision of these services.

(5) Boards of health created under KRS Chapter 212 may submit requests for charitable health care providers in their jurisdictions to be listed in any information provided.

(6) Each sponsoring organization shall maintain a list of health care providers associated with its provision of charitable health care services. SECTION 4. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

The General Assembly of the Commonwealth finds that access to high-quality health care services is a concern of all persons; that access to such services is limited for some residents of the Commonwealth, particularly those residing in remote rural areas or inner cities; that physicians and other health care providers have traditionally worked to assure access to health care services; and that many health care providers from the Commonwealth and other states are willing to volunteer their services to address the health care needs of Kentuckians who may otherwise not be able to obtain such services. Therefore, it is the purpose of Sections 1 to 5 of this Act to encourage and facilitate the charitable provision of health care services within the Commonwealth.

SECTION 5. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(c) "Medical professional liability insurance" means insurance to cover liability incurred as a result of the hands-on providing of medical professional services directly to patients by an insured in the treatment, diagnosis, or prevention of patient illness, disease, or injury.

(2) Insurers offering medical professional liability insurance in the Commonwealth shall make available, as a condition of doing business in the Commonwealth pursuant to this chapter, medical professional liability insurance for charitable health care providers and persons volunteering to perform medical services for charitable health care providers, with the same coverage limits made available to its other insureds.

(3) (a) Premiums for policies issued under subsection (2) of this section shall be paid by the Commonwealth from the general fund ***not to exceed the sum of twenty thousand dollars ($20,000) and from the registration fees collected by the Cabinet for Human Resources under subsection (3) of Section 2 of this Act*** upon written application for payment of the premium by the health care provider wishing to offer charitable services.

(b) The Department of Insurance shall, through promulgation of administrative regulations pursuant to KRS Chapter 13A, establish reasonable guidelines for the registration of charitable health care providers. (4) This section shall only apply to charitable health care providers and persons volunteering to perform medical services for charitable health care providers who are not otherwise covered by any policy of medical professional liability insurance, and that meet the terms for eligibility established pursuant to this section.

(5) Coverage offered to charitable health care providers and persons volunteering at charitable health care providers shall be at least as broad as the coverage offered by the insurer to other noncharitable health care providers or facilities and to medical professionals working at noncharitable health care facilities.

(6) The Department of Insurance shall retrospectively review on an annual basis the premiums paid pursuant to this section as opposed to the expenses incurred by the insurers covering risks under this section to determine if the profits made for those risks were consistent with reasonable loss ratio guidelines. If the determination is made that the profits were not consistent with reasonable loss ratio guidelines, the Department of Insurance shall determine the amount of the premiums to be refunded to the Commonwealth.

(7) The Cabinet for Human Resources shall make available to the Department of Insurance information on its registration of charitable health care providers for the purpose of obtaining medical malpractice insurance.

(8) The Department of Insurance shall not provide medical malpractice insurance as specified in subsection (3)(a) of this section, to a charitable health care provider who has not registered with the Cabinet for Human Resources

Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.

(5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.

(6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.

(8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

(b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;

(c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;

(d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;

(e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

(f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

(11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.

(12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.

(13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.

(14) There shall be allotted each year of the 1992-93 biennium one million dollars ($1,000,000), and each year of the 1994-

95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars ($1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund."; and

During the period of July 1, 1998, to June 30, 1999, the guaranteed acceptance program participating insurer may designate upon approval of the commissioner any health benefit plans made generally available to, and actively marketed in, the individual market as this option. The insurer shall make all necessary adjustments to the designated health benefit plans so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process.

(4) If the insurer does not generally operate in the individual market and has elected under subsection (3)(a) of Section 17 of this Act to be a guaranteed acceptance program participating insurer without generally operating in the individual market, then an individual who is a guaranteed acceptance program qualified individual shall be entitled to have coverage issued from that insurer only under the standard health benefit plan.

(5) (a) No insurer, who was not offering health benefit plans in Kentucky on January 1, 1998, shall be required to accept annually under this section individuals who, in the aggregate, would cause the insurer to have a total number of new insureds with high-cost conditions as defined in subsection (19) of Section 1 of this Act or which exceed an insurer's underwriting guidelines as approved by the commissioner under subsection (3)(b) of Section 18 of this Act per year that is more than one-half of one per cent (0.5%) of the total number of individuals insured by the insurer under individual health benefits plans issued or issued for delivery in the Commonwealth, calculated as of the immediately preceding thirty-first day of December.

These limits shall be based on the insurer's quarterly enrollment in health benefit plans offered in the individual market in the Commonwealth.

  (c) An officer of the insurer shall certify to the department when it has met the enrollment limit established in this subsection. Upon providing this certification, the insurer shall be relieved of its guaranteed issue requirement under this section for the remainder of the calendar year.

  (d) If all insurers that are required to offer coverage on a guaranteed-issue basis meet the enrollment limit established in this subsection prior to the end of the calendar year, then all such insurers shall again accept individuals for guaranteed issue coverage, subject to the enrollment limit established in this subsection.

  (e) If certification of the enrollment limit would leave any county in the Commonwealth without an insurer to provide coverage in the individual market, the commissioner may require any insurer that meets the criteria in subsection (1) of Section 17 of this Act to continue to offer coverage in that county. The commissioner shall proportionally increase the enrollment limit under this subsection for all other insurers that do not meet the criteria of subsection (1) of Section 17 of this Act.

(6) An insurer that elects to use the alternative underwriting mechanism under subsection (3) of Section 18 of this Act shall offer to those insureds who are subject to the alternative underwriting mechanism the standard plan and the two (2) plans offered by the insurer with the largest premium volume for the last calendar year.

(7) For the purposes of this section and Section 7 of this Act, insurers whose activities in the individual market are limited to the renewal of health benefit plans issued prior to July 15, 1995, shall not be deemed to be doing business in the individual market.

(8) Subsections (1) to (7) of this section shall not apply to a health benefit plan offered by an insurer if the coverage is

made available in the individual market only through one (1) or more bona fide associations.

SECTION 4. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) All group health plans and insurers offering group health insurance coverage in the Commonwealth shall comply with the provisions of this section.

(2) Subject to subsection (5) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, may, with respect to a participant or beneficiary, impose a pre-existing condition exclusion only if:

(a) The exclusion relates to a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six (6) month period ending on the enrollment date;

(b) The exclusion extends for a period of not more than twelve (12) months, or eighteen (18) months in the case of a late enrollee, after the enrollment date; and

(c) The period of that pre-existing condition exclusion is reduced by the aggregate of the periods of creditable coverage applicable to the participant or beneficiary as of the enrollment date.

(3) For purposes of this section:

(a) 1. "Pre-existing condition exclusion" means, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the date of enrollment for that coverage, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before that date; and

2. Genetic information shall not be treated as a condition described in subparagraph 1. of this paragraph in the absence of a diagnosis of the condition related to this information;

(b) "Enrollment date" means, with respect to an individual covered under a group health plan or health insurance coverage, the date of enrollment of the individual in the plan or coverage or, if earlier, the first day of the waiting period for such enrollment;

(c) "Late enrollee" means, with respect to coverage under a group health plan, a participant or beneficiary who enrolls under the plan other than during:

1. The first period in which the individual is eligible to enroll under the plan; or

2. A special enrollment period under subsection (7) of this section; and

(d) "Waiting period" means, with respect to a group health plan and an individual who is a potential participant or beneficiary in the plan, the period that must pass with respect to the individual before the individual is eligible to be covered for benefits under the terms of the plan.

(4) (a) A period of creditable coverage shall not be counted, with respect to enrollment of an individual under a group health plan, if, after the period and before the enrollment date, there was a sixty-three (63) day period during all of which the individual was not covered under any creditable coverage.

(b) For purposes of paragraph (a) of this subsection and subsection (5)(d) of this section, any period that an individual is in a waiting period for any coverage under a group health plan or for group health insurance coverage or is in an affiliation period, as defined in subsection (8)(b) of this section, shall not be taken into account in determining the continuous period under paragraph (a) of this subsection.

(c) 1. Except as otherwise provided under paragraph (b) of this subsection, for purposes of applying subsection (2)(c) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.

2. A group health plan, or a health insurance insurer offering group health insurance coverage, may elect to apply subsection (2)(c) of this section based on coverage of benefits within each of several classes or categories of benefits specified in regulations rather than as provided under paragraph (a) of this subsection. This election shall be made on a uniform basis for all participants and beneficiaries. Under this election a group health plan or insurer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within this class or category.

3. In the case of an election with respect to a group health plan under paragraph (b) of this subsection, whether or not health insurance coverage is provided in connection with the plan, the plan shall:

a. Prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made this election; and *b. Include in these statements a description of the effect of this election.*

(d) Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (6) of this section or in such other manner as may be specified in administrative regulations.

(5) (a) Subject to paragraph (d) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion in the case of an individual who, as of the last day of the thirty (30) day period beginning with the date of birth, is covered under creditable coverage.

(b) Subject to paragraph (d) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion in the case of a child who is adopted or placed for adoption before attaining eighteen (18) years of age and who, as of the last day of the thirty (30) day period beginning on the date of the adoption or placement for adoption, is covered under creditable coverage. The previous sentence shall not apply to coverage before the date of the adoption or placement for adoption.

(c) A group health plan, and health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion relating to pregnancy as a pre-existing condition.

(d) Paragraphs (a) and (b) of this subsection shall no longer apply to an individual after the end of the first sixty-three (63) day period during all of which the individual was not covered under any creditable coverage.

(6) (a) 1. A group health plan, and a health insurance insurer offering group health insurance coverage, shall provide the certification described in subparagraph 2. of this subsection:

a. At the time an individual ceases to be covered under the plan or otherwise becomes covered under a COBRA continuation provision;

b. In the case of an individual becoming covered under that provision, at the time the individual ceases to be covered under the provision; and

c. On request on behalf of an individual made not later than twenty-four (24) months after the date of cessation of the coverage described in subdivision a. or b. of this subparagraph, whichever is later.

The certification under subdivision a. of this subparagraph may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.

2. The certification described in this subparagraph is a written certification of:

a. The period of creditable coverage of the individual under the plan and the coverage, if any, under the COBRA continuation provision; and

b. The waiting period, if any, and affiliation period, if applicable, imposed with respect to the individual for any coverage under the plan.

3. To the extent that medical care under a group health plan consists of group health insurance coverage, the plan is deemed to have satisfied the certification requirement under this paragraph if the health insurance insurer offering the coverage provides for the certification in accordance with this paragraph.

(b) In the case of an election described in subsection (4)(c)2. of this section by a group health plan or health insurance insurer, if the plan or insurer enrolls an individual for coverage under the plan and the individual provides a certification of coverage of the individual under paragraph (a) of this subsection:

1. Upon request of that plan or insurer, the entity that issued the certification provided by the individual shall promptly disclose to the requesting plan or insurer information on coverage of classes and categories of health benefits available under the entity's plan or coverage; and

2. The entity may charge the requesting plan or insurer for the reasonable cost of disclosing this information.

(7) (a) A group health plan, and a health insurance insurer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the terms of the plan, or a dependent of that employee if the dependent is eligible, but not enrolled, for coverage under these terms, to enroll for coverage under the terms of the plan if each of the following conditions is met:

1. The employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage was previously offered to the employee or dependent;

2. The employee stated in writing at that time that coverage under a group health plan or health *insurance coverage was the reason for declining enrollment, but only if the plan sponsor or insurer, if applicable, required that statement at that time and provided the employee with notice of the requirement, and the consequences of the requirement, at that time;*

3. The employee's or dependent's coverage described in subparagraph 1. of this paragraph:

a. Was under a COBRA continuation provision and the coverage under that provision was exhausted; or

b. Was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage, including as a result of legal separation, divorce, death, termination of employment, or reduction in the number of hours of employment, or employer contributions toward the coverage were terminated; and

4. Under the terms of the plan, the employee requests the enrollment not later than thirty (30) days after the date of exhaustion of coverage described in subparagraph 3.a. of this paragraph or termination of coverage or employer contribution described in subparagraph 3.b. of this paragraph.

(b) 1. If:

a. A group health plan makes coverage available with respect to a dependent of an individual;

b. The individual is a participant under the plan, or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period; and

c. A person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption;

the group health plan shall provide for a dependent special enrollment period described in subparagraph 2. of this paragraph during which the person or, if not otherwise enrolled, the individual, may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if the spouse is otherwise eligible for coverage.

2. A dependent special enrollment period under this subparagraph shall be a period of not less than thirty (30) days and shall begin on the later of:

a. The date dependent coverage is made available; or

b. The date of the marriage, birth, or adoption or placement for adoption, as the case may be, described in subparagraph 1.c. of this paragraph.

3. If an individual seeks to enroll a dependent during the first thirty (30) days of the dependent special enrollment period, the coverage of the dependent shall become effective:

a. In the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received;

b. In the case of a dependent's birth, as of the date of the birth; or

c. In the case of a dependent's adoption or placement for adoption, the date of the adoption or placement for adoption.

(8) (a) In the case of a group health plan that offers medical care through health insurance coverage offered by a health maintenance organization, the plan may provide for an affiliation period with respect to coverage through the organization only if:

1. No pre-existing condition exclusion is imposed with respect to coverage through the organization;

2. The period is applied uniformly without regard to any health status-related factors; and

3. The period does not exceed two (2) months, or three (3) months in the case of a late enrollee.

(b) 1. For purposes of this section, the term "affiliation period" means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during this period and no premium shall be charged to the participant or beneficiary for any coverage during the period.

2. This period shall begin on the enrollment date.

3. An affiliation period under a plan shall run concurrently with any waiting period under the plan.

(c) A health maintenance organization described in paragraph (a) of this subsection may use alternative methods other than those described in that paragraph to address adverse selection as approved by the commissioner.

SECTION 5. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A health insurer offering individual health benefit plan coverage in the individual market in the Commonwealth shall not impose any pre-existing conditions exclusions as to any eligible individual.

(2) Each health insurer offering individual health benefit plan coverage in the individual market in the Commonwealth that chooses to impose a pre-existing conditions exclusion on individuals who do not meet the definition of eligible individual shall comply with the provisions of Section 4 of this Act, which establishes standards and requirements for pre-existing conditions exclusions for group health plans, including crediting previous coverage, and certification of coverage; except the period of creditable coverage shall only reduce the period of a pre-existing condition exclusion in a policy that has benefits substantially similar to the benefits provided in the creditable coverage. Pregnancy may be considered to be a pre-existing condition.

(3) Genetic information shall not be treated as a pre-existing condition in the absence of a diagnosis of the condition related to the information.

SECTION 6. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in this section, an insurer shall renew or continue in force a health benefit plan at the option of the insured.

(2) An insurer may nonrenew or discontinue a health benefit plan based only on one (1) or more of the following:

(a) The insured has failed to pay premiums or contributions in accordance with the terms of the plan or the insurer has not received timely premium payments;

(b) The insured has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage;

(c) The insured has engaged in intentional and abusive noncompliance with material provisions of the health benefit plan;

(d) The insurer is ceasing to offer coverage in the individual or group market in accordance with subsection (3) of this section;

(e) In the case of an insurer that offers health benefit plans through a network plan, the individual no longer resides, lives, or works in the service area or in an area for which the insurer is authorized to do business, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals, or there is no longer any enrollee in connection with the group plan who resides, lives, or works in the service area of the insurer; or

(f) In the case of a health benefit plan that is made available only through one (1) or more bona fide associations, the membership of the individual or employer in the association on the basis of which the coverage is provided ceases, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals.

(3) (a) In any case in which an insurer decides to discontinue offering a particular type of health benefit plan, coverage of the type may be discontinued by the insurer upon approval by the commissioner only if:

1. The insurer provides notice to each insured provided coverage of this type in the market of the discontinuation at least ninety (90) days prior to the date of the discontinuation of the coverage;

2. The insurer offers, to each insured provided coverage of this type, the option to purchase any other health benefit plan currently of that type being offered by the insurer in that market; and

3. In exercising the option to discontinue coverage of this type and in offering the option of coverage under subparagraph 2. of this paragraph, the insurer acts uniformly without regard to any health status-related factor of enrolled insureds or insureds who may become eligible for coverage.

(b) 1. Subject to paragraph (a)3. of this subsection, in any case in which an insurer elects to discontinue offering all health benefit plans in Kentucky, health benefit plans may be discontinued by the insurer only if:

a. The insurer provides notice to the commissioner and to each insured of the discontinuation at least one hundred eighty (180) days prior to the date of the expiration of the coverage; and

b. All health benefit plans issued or delivered for issuance in Kentucky are discontinued and coverage under the health benefit plans is not renewed.

2. In the case of a discontinuation under subparagraph 1. of this paragraph, the insurer may not provide for the issuance of any health benefit plans in Kentucky during the five (5) year period beginning on the date of the discontinuation of the last health benefit plan not so renewed.

(4) At the time of coverage renewal, an insurer may modify, with approval of the commissioner, the health benefit plan for a policy form so long as the modification is consistent with this chapter and effective on a uniform basis among all individuals with that policy form.

(5) In applying this section in the case of a health benefit plan that is made available by an insurer only through one (1) or more associations, a reference to an individual is deemed to include a reference to an association of which the individual is a member, and a reference to an employer member is deemed to include a reference to the employer.

SECTION 7. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall, by administrative regulations promulgated under KRS Chapter 13A, define one (1) standard health benefit plan that shall provide health insurance coverage in the individual and small group markets after June 30, 1998. As a condition of doing business in the individual or small group market in the Commonwealth, the health insurer shall offer the standard health benefit plan, but the extent to which the standard health benefit plan shall be offered on a guaranteed issue basis shall only be as provided in Sections 2 and 3 of this Act. Except as may be necessary to coordinate with changes in federal law, the commissioner shall not alter, amend, or replace the standard health benefit plan more frequently than annually. Initially, the standard health benefit plan shall be the standard high plan in effect on the effective date of this Act.

(2) The standard health benefit plan shall be available in at least one (1) of these four (4) forms of coverage:

(a) A fee-for-service product type;

(b) A health maintenance organization type;

(c) A point of service type; and

(d) A preferred provider organization type.

(3) The standard health benefit plan shall be defined so that it meets the requirements of Section 18 of this Act for inclusion in calculating assessments and refunds under the guaranteed acceptance program.

(4) Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.

(5) Nothing in this section shall be construed:

(a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;

(b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under Sections 2, 3, 4, 5, and 6 of this Act.

(6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.

(7) (a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement, and overall appearance, and the content of a benefits comparison.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the principal benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant;

2. A statement of the principal exclusions, reductions, and limitations contained in the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant; and

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant.

(c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for five (5) years, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

(d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. It does not include an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.

(8) All health benefit plans shall cover hospice care at least equal to the Medicare benefits.

(9) All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.

(10) Every health insurer of any kind, nonprofit hospital, medical-surgical, dental and health service corporation, health maintenance organization, or provider-sponsored health delivery network that issues or delivers an insurance policy in this state that directs or gives any incentives to insureds to obtain health care services from certain health care providers shall not imply or otherwise represent that a health care provider is a participant in or an affiliate of an approved or selected provider network unless the health care provider has agreed in writing to the representation or there is a written contract between the health care provider and the insurer or an agreement by the provider to abide by the terms for participation established by the insurer. This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with providers selected for use by the insurer shall not apply to emergency or out-of-area services.

(11) A self-insured plan may select any third party administrator licensed under KRS 304.9-052 to adjust or settle claims for persons covered under the self-insured plan.

(12) Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an insured with a high-cost condition shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the specific high-cost condition that is the basis for refusing to issue a policy, a description of the Guaranteed Acceptance Program, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program.

(13) If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, the health insurer shall pay the plan's established rate for those services to the health department.

(14) No individually insured person shall be required to replace an individual policy with group coverage on becoming eligible for group coverage that is not provided by an employer. In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide. This shall apply in any such situation that may arise through an association, an affiliated group, the Kentucky state employee health insurance plan, or any other entity.

SECTION 8. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

An insurer that, on or after July 15, 1995, until the effective date of this Act, issued standard health benefit plans under KRS 304.17A-160 and then ceased doing business in Kentucky may apply to the commissioner on or after the effective date of this Act until January 1, 1999, for approval to reenter Kentucky and if the commissioner grants approval the insurer may engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110(1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

Section 9. KRS 304.17A-095 is amended to read as follows:

insureds, members, enrollees, or subscribers***, shall submit a copy of the filing to the Attorney General,*** and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper[~~, except as provided in subsection (5) of this section~~].

(2) (a) ***A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing shall be approved or disapproved by the commissioner within sixty (60) days after the date of filing. Should sixty (60) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved. The commissioner may hold a hearing within sixty (60) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. (b) The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (3) of this section.

(c) The commissioner shall hold a hearing, unless waived by the health insurer, before ordering a retroactive reduction of rates.

(d) The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.

(e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.[~~Each filing under this section shall be on file for a waiting period of thirty (30) days before it becomes effective. The period may be extended by the commissioner for an additional period not to exceed thirty (30) days if the commissioner gives notice within the waiting period to the insurer that it needs the additional time for consideration of the filing. At the end of the thirty (30) day period, or any additional period if extended by the commissioner pursuant to this subsection, the filing shall be deemed approved unless prior thereto it has been disapproved by order of the commissioner or the commissioner has directed that a hearing be held.~~

~~(b) The commissioner may hold a hearing, without request by others, within thirty (30) days after receiving a filing under this subtitle, or during an additional thirty (30) day period, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.~~

~~(c) If the filing contains an average premium rate increase which will result in a percentage increase over the insurer's average existing rates that is greater than the percentage change in the medical care consumer price index for all urban consumers for the South region as published by the federal Bureau of Labor Statistics, plus three percent (3%), since the last filing of the insurer for any of the same policies or contracts, the commissioner shall hold a hearing, without request by others, within thirty (30) days after receiving a filing under this subtitle, or during an additional thirty (30) day period, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.~~]

(3) In approving or disapproving a filing under this section, the commissioner shall consider:

(b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

(c) Previous premium rates or fees for the policies or contracts to which the filing applies;

(d) The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

(e) Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory; and

(f) ***The effect on the rates of any assessment made under Section 21 of this Act; and***

(g) Other factors as deemed relevant by the commissioner.

(4) ***The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal***[~~Not less than ten (10) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General shall participate as a health insurance consumer intervenor and be considered a party to the hearing~~].

(5)[~~No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase.~~

~~(6)~~] At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund ***or future premium credit*** to policyholders, enrollees, and subscribers if the commissioner determines that the ***rates or fees previously approved are in violation of this chapter***[~~benefits are no longer reasonable in relation to the premiums or fees charged~~].

(6) Each insurer paying a risk assessment under Section 21 of this Act may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.

(7) The commissioner may by administrative regulation prescribe any additional information ***related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she***[~~it~~] deems ***necessary and*** relevant to be included in the filings and the form of the filings required by this section.

SECTION 10. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Premium rates for a health benefit plan issued or renewed to an individual, a small group, or an association on or after the effective date of this Act shall be subject to the following provisions:

(1) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged to that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%) of the index rate.

(2) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed ten percent (10%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

(3) (a) Notwithstanding subsection (2) of this section, at renewal the insurer may replace modified community rates with rates determined in accordance with subsection (1) of this section.

(b) Within the limitations set out in subsections (1) and (2) of this section, the premium rate for health benefit plans issued to high-risk individuals under modified community rating who at the time of issue had a high-cost condition during the period from July 15, 1995, until the effective date of this Act for a new rating period:

1. Shall not be increased by more than twenty-five percent (25%) on either of the first two (2) renewal dates after the effective date of this Act. The total increase shall not result in a rate that exceeds thirty-five percent (35%) of the index rate. Notwithstanding subsection (1) of this section, the program established under Section 15 of this Act shall reimburse the insurer for any premium loss incurred under this subsection to the extent that funds are available;

2. May be increased without restriction to the applicable rate as determined by the insurer's rate manual on the third renewal date after the effective date of this Act; and

3. Shall be subject to subsection (2) of this section on the fourth renewal date after the effective date of this Act and thereafter.

(4) The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate.

(5) The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.

(6) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(7) Adjustments in rates for claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.

(8) The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness for the applicable market segment.

(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).

(b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans; or

2. The insurer has acquired a class of business from another insurer.

(9) For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.

(10) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995 and the effective date of this Act to develop the insurer's index rate for its individual policies.

(11) Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

SECTION 11. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(a) "Base premium rate" has the meaning provided in Section 1 of this Act;

(d) "Index rate" has the meaning provided in Section 1 of this Act.

(2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

(3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:

(a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than twenty-five percent (25%) of its own index rate.

(b) The percentage increase in the premium rate charged to an employer member of an employer-organized association for a new rating period shall not exceed the sum of the following:

1. The percentage change in the new business premium rate for the employer-organized association measured from the first day of the prior rating period to the first day of the new rating period;

2. Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating period of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the member as determined from the insurer's rate manual; and

3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.

(4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network results in measurable differences in claims costs.

SECTION 12. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Purchasing Alliance created under this subtitle shall not issue or renew any business after June 1, 1998. The commissioner shall take necessary and appropriate actions to terminate all activities of the alliance no later than June 30, 1999, and shall provide assistance to persons who are members of the alliance in obtaining health insurance coverage in the private market. KRS 304.17A-010 to 304.17A-070 shall become null and void on July 1, 1999.

(2) No health benefit plans shall be issued, delivered, or renewed under the provisions of KRS 304.17A-110, 304.17A-120, and 304.17A-160 on or after June 30, 1998. Health benefit plans in effect on the effective date of this Act shall be subject to the provisions of KRS 304.17A-110, 304.17A-120, and 304.17A-160 until the end of the contract or policy period. The provisions of KRS 304.17A-110, 304.17A-120, and 304.17A-160 shall become null and void on July 1, 1999.

SECTION 14. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The commissioner may, by administrative regulation, add to the list of high-cost conditions provided in Section 1 of this Act other high-cost conditions based on diagnosis and severity. Guaranteed acceptance program insurers shall reimburse providers at rates that are no less favorable than the rates paid to the comparable providers for services delivered to enrollees who do not have a high-cost condition.

(4) All insurers, stop-loss carriers, and self-insured employer-controlled or bona fide associations, as a condition of doing business in Kentucky, shall participate in the Kentucky Guaranteed Acceptance Program either as a guaranteed acceptance program supporting insurer or a guaranteed acceptance program participating insurer.

SECTION 17. A NEW SECTION OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Each insurer issuing health benefit plans in Kentucky and that had a market share of twenty-five percent (25%) or more for any calendar year shall be a program participating insurer for the following calendar year.

(2) On or before July 1, 1998, each insurer issuing health benefit plans in Kentucky, other than the insurers required by subsection (1) of this section to be a program participating insurer, shall advise the commissioner in writing whether it will participate in the program as a program participating insurer or a program supporting insurer. After July 1, 1998, no insurer shall issue health benefit plans in Kentucky without first advising the commissioner in writing that it will participate in the program as a program participating insurer or a program supporting insurer. Any insurer issuing health benefit plans in Kentucky that fails to advise the commissioner of the nature of its participation in the program shall be deemed a program supporting insurer unless it is required by subsection (1) of this section to be a program participating insurer.

(3) An insurer who elects to be a program participating insurer may elect to participate under the following conditions:

  (a) Network-based insurers may limit coverage to the benefit plans offered to persons residing in the geographic area covered by the providers network; and

  (b) A group insurer may elect to be a program participating insurer without otherwise operating in the individual market.

(4) The department shall publicize a monthly list of program participating insurers.

(5) (a) The provisions of Sections 15 to 23 of this Act shall not apply to an insurer that provides coverage solely to Medicaid recipients, Medicare beneficiaries, or CHAMPUS insureds.

  (b) Self-insured health benefit plans covering employees of institutions of higher education and self-insured plans covering elected and salaried employees of cities, counties, urban-counties, charter counties, or special districts shall not be subject to the provisions of Sections 15 to 23 of this Act.

SECTION 18. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A health benefit plan shall be considered a program plan and is eligible for inclusion in calculating assessments and refunds under the program risk adjustment process if it meets all of the following criteria:

  (a) The health benefit plan was purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children. Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this criteria even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year;

  (b) An individual entitled to benefits under the health benefit plan has been diagnosed with a high-cost condition on or before the effective date of the individual's coverage for coverage issued on a guarantee-issue basis after July 15, 1995;

  (c) The health benefit plan imposes the maximum pre-existing condition exclusion permitted under Section 2 of this Act;

  (d) The individual purchasing the health benefit plan is not eligible for or covered by other coverage; and

  (e) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A.

(2) Notwithstanding the provisions of subsection (1) of this section, if the total claims paid for the high-cost condition under a program plan for any three (3) consecutive years are less than the premiums paid under the program plan for those three (3) consecutive years, then the following shall occur:

  (a) The policy shall not be considered to be a program plan thereafter until the first renewal of the policy after there are three (3) consecutive years in which the total claims paid under the policy have exceeded the total premiums paid for the policy and at the time of the renewal the policy also qualifies under subsection (1) as a program plan; and

  (b) Within the last six (6) months of the third year, the insurer shall provide each person entitled to benefits

under the policy who has a high-cost condition with a written notice of insurability. The notice shall state that the recipient may be able to purchase a health benefit plan other than a program plan and shall also state that neither the notice nor the individual's actions to purchase a health benefit plan other than a program plan shall affect the individual's eligibility for plan coverage. The notice shall be valid for six (6) months.

(3) (a) There is established within the guaranteed acceptance program the alternative underwriting mechanism that a participating insurer may elect to use. An insurer that elects this mechanism shall use the underwriting criteria that the insurer has used for the past twelve (12) months for purposes of the program plan requirement in paragraph (b) of subsection (1) of this section for high risk individuals rather than using the criteria established in subsection (19) of Section 1 of this Act and Section 14 of this Act for high cost conditions;

(b) An insurer that elects to use the alternative underwriting mechanism shall make written application to the commissioner. Before the insurer may implement the mechanism, the insurer shall obtain approval of the commissioner. Annually thereafter, the insurer shall obtain the commissioner's approval of the underwriting criteria of the insurer before the insurer may continue to use the alternative underwriting mechanism.

SECTION 19. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

On the date the individual first becomes eligible for coverage under a guaranteed acceptance program plan the individual may be charged a premium of up to:

(1) One hundred fifty percent (150%) of the index rate charged to a person of identical or similar case characteristics who has not been diagnosed or treated with a high-cost condition if the individual in the immediate preceding sixty-three (63) day period, excluding any waiting or affiliation period, was not covered under any creditable coverage during the entire sixty-three (63) day period; or

(2) The maximum as provided in Section 10 of this Act, if the individual in the immediate preceding sixty-three (63) day period, excluding any waiting or affiliation period, had creditable coverage during any part of the sixty-three (63) day period.

SECTION 20. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Notwithstanding any other provision of this chapter, program plans shall contain cost containment features, which may include managed care and utilization management, to control the amount of high-cost policy losses without creating excessive adverse health care outcomes.

SECTION 21. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For each calendar year that the program is operating, every insurer shall report to the department, in a form and at the time as the department by administrative regulation may specify, the following information for that year:

(a) The insurer's total premiums in both the individual and group markets;

(b) The number of program plans in force as of December 31;

(c) The amount of the insurer's program plan premiums received during the calendar year covered by the report;

(d) The amount of the insurer's program plan claims paid during the calendar year covered by the report;

(e) The amount of the insurer's program plan losses; and

(f) Other information as the department may, by administrative regulation, require to be reported to operate the program.

(2) At the end of each calendar year, and based upon the reports filed under subsection (1) of this section, the department shall calculate and provide to each insurer who filed a report the following information relating to the calendar year:

(a) The amount of each reporting insurer's market share;

(b) The total amount of program plan premiums for all reporting insurers;

(c) The total amount of program plan claims paid by all reporting insurers;

(d) The amount of total actual program plan losses;

(e) The amount of the insurer's assessment or refund; and

(f) Other information as the department may elect to calculate and report.

The department shall complete its calculation and provide each insurer the results of its calculation within forty-five (45) days after the reporting deadline.

(3) The department shall assess or refund to the insurers the amounts calculated and reported in subsection (2)(e) of this section.

(4) The insurer, as a condition of conducting health insurance business in Kentucky, shall pay the amount calculated in subsection (2)(e) and assessed by the department in accordance with subsection (3) of this section.

(5) The department shall assess stop-loss carriers in accordance with subsection (3)(c) of Section 22 of this Act. The stop-loss carrier, as a condition of doing health insurance business in Kentucky, shall pay the assessment provided in subsection (3)(c) of Section 22 of this Act.

(6) The department may prepare quarterly estimated calculations for the purposes of allowing insurers who participate in the program to budget for their annual assessments and refunds.

(7) The department shall conduct such examinations of insurers participating in the plan as is reasonably necessary to determine if the information provided by the insurers is accurate.

SECTION 22. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The department shall establish a risk adjustment process to be used in collecting and distributing funds from all insurers doing health insurance business in Kentucky for the purpose of allocating program plan losses among such insurers.

(2) As part of the risk adjustment process, the department shall establish and maintain a program account. All funds in the program account shall be held at interest, in a single depository designated in accordance with KRS 304.8-090(1) under a written trust agreement in accordance with KRS 304.8-095. All expense and revenue transactions of the fund shall be posted to the state accounting and reporting system (STARS) and its successors.

(3) The program account shall be funded from the following sources:

(a) Appropriations from the General Assembly;

(b) All premium taxes collected under KRS Chapter 136 from any insurer, and any retaliatory taxes collected under KRS 304.3-270 from any insurer, for accident and health premiums that are in excess of the amount of the premium taxes and retaliatory taxes collected for the calendar year 1997;

(c) Annual assessments from each stop-loss carrier in an amount which is equal to two dollars ($2) upon each one hundred dollars ($100) of health insurance stop-loss premiums;

(d) An assessment for each calendar year, or the last six (6) month period of 1998, on the total amount of all health benefit plan premiums written during the prior assessment period and paid by all insurers who received any of the health benefit plan premiums on which the assessment is based. The first assessment shall be for the period from July 1, 1998, to December 31, 1998, shall be based on the amount of health benefit plan premiums written during this six (6) month period, and the total amount of the assessment against all insurers for this six (6) month period shall equal three million nine hundred thousand dollars ($3,900,000). The percentage rate used to determine this six (6) month period assessment shall be the maximum percentage that may be used to determine the assessment in any subsequent calendar year. Assessments in any subsequent year shall be paid on or before the last day of that calendar year, and the first assessment shall be paid on or before December 31, 1998.

(e) Any special assessments under subsection 4(b) of this section;

(f) Gifts, grants, or other voluntary contributions; and

(g) Interest or other earnings on the investment of the monies held in the account.

(4) After the end of each calendar year, the department shall calculate the amount of the total actual program plan losses incurred by all insurers for the calendar year. The first calculation shall be for the calendar year ended December 31, 1998.

(a) If the amount of total actual program plan losses is less than the amount in the program account, each insurer shall be reimbursed up to the amount of its proportional share of program plan losses from the program account.

(b) If the amount of total actual program plan losses is more than the amount in the program account, then the difference shall be considered a program account deficit, and there shall be a second assessment, in addition to the assessment under subsection 3(d) of this section, on all insurers who received any of the health benefit plan premiums on which the assessment under subsection 3(d) is based. The second assessment shall also be a percentage of the health benefit plan premiums except for the following limitations:

1. The percentage rate may not exceed the percentage rate used to determine the 1998-1999 assessment, and

2. The total amount generated from the additional assessment may not exceed the lesser of the program *account deficit or seven million eight hundred thousand dollars ($7,800,000). If the second assessment fully eliminates the program account deficit, each insurer shall be reimbursed up to the amount of its proportional share of program plan losses from the program account. If the second assessment does not fully eliminate the program account deficit, each insurer shall be reimbursed up to its proportional share of program plan losses from the program account in the same proportion that the insurer's program plan losses bears to the total program plan losses of all insurers.*

(c) In no event shall the sum of the first assessment provided for in subsection (3)(d) of this section and the second assessment provided for in paragraph (b) of this subsection be greater than one percent (1%) of the total amount of all assessable health benefit plan premiums written during the prior assessment period.

(5) With respect to an insurer who reasonably will be expected to both pay assessments and receive payments from the program account, the department shall calculate the net amount owed to or to be received from the program account, and the department shall only collect assessments or make payments from the program account based upon net amounts.

(6) Insurers paying an assessment may include in any health insurance rate filing that amount of such assessments as provided in Section 21 of this Act.

(7) Any surpluses remaining in the program account after completion of the risk adjustment process for a calendar year shall be maintained for use in the risk adjustment process for future calendar years and such funds shall not lapse. The General Fund appropriations to the program account shall not lapse.

(8) Assessments on health benefit plan premiums that are required under this section shall not be applied to premiums received by an insurer for Medicaid recipients, Medicare beneficiaries, and CHAMPUS insureds.

(9) Program plan losses attributable to plans issued to individuals who do not have a high-cost condition shall be reimbursed only after reimbursement is made for losses attributable to plans issued to individuals with a high-cost condition.

SECTION 23. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Beginning with the regular session of the General Assembly in the year 2000, sixty (60) days prior to that session and each subsequent regular session of the General Assembly, the commissioner shall submit a written report to the Legislative Research Commission on the operations of the program. The report shall contain an evaluation of the program, an evaluation of issues concerning individuals with high-cost conditions, and recommendations for establishing alternative means of providing health benefit plans for those individuals in addition to, or as an alternative to, the risk adjustment mechanism of the program. In order to determine the effectiveness of the program in providing access and affordable insurance to individuals with high-cost conditions and in readjusting the risks of providing health benefit plans to such individuals, the department shall determine:

(a) The number of individuals with high-cost conditions;

(b) The number of program plans; and

(c) The reasons that any program plans are terminated.

(2) Beginning no later than June 30, 1999, and annually thereafter, the Auditor of Public Accounts shall be responsible for an audit of the program, and the costs of the audit shall be born by the program. Within sixty (60) days of completion of the audit, the Auditor of Public Accounts shall submit a copy of the audit to the Legislative Research Commission and the department.

SECTION 24. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Coverage of an individual who is not a state employee or a small group which on the effective date of this Act is covered under KRS 18A.2251 or KRS 18A.2281 shall not be renewed after the effective date of this Act.

(2) The state employee health insurance fund established under KRS 18A.2281 shall be deemed an insurer as defined in Section 1 of this Act only for the coverage it provides to individuals not state employees or to small groups and only until such time as this coverage terminates in accordance with subsection (1) of this section.

(3) The state employee health insurance fund established under KRS 18A.2281 shall be subject to assessments and reimbursements under Sections 15 to 23 of this Act only for the premium collected and the claims paid for individuals who are not state employees and the small groups which are covered by the fund.

(4) Except as provided in this section, the state employee health insurance fund established under KRS 18A.2281 shall not be deemed an insurer for any other purpose in this chapter and, in no event, at any time more than twelve (12) months after the effective date of this Act shall it be deemed to be an insurer.

The department *or fiscal court*~~[or county judges/executive]~~ may, by like notice, regulate or prohibit the operation of motor trucks or semitrailer trucks on state highways or county roads for limited periods of specified days, or parts of days, if their load and speed exceed those limits, if in their judgment, the regulation or prohibition is necessary, by reason of traffic density or intensive use by the traveling public, to provide for the public safety and convenience on the highway.

AN ACT relating to the unauthorized switching of a customer's telecommunications provider.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

(a) "Telecommunications provider" or "provider" means a person that provides one (1) or more telecommunications services for compensation, and its successors in interest by way of acquisition or merger, and includes a provider of regulated and unregulated intrastate services offered to customers for the transmission of two-way, interactive communications. "Telecommunications provider" or "provider" does not include a provider of commercial mobile radio services as defined in 47 U.S.C. sec. 332(d)(1).

(b) "Letter of agency" means a written statement that authorizes a change of the customer's telecommunications provider and bears the customer's signature.

(2) A customer of a telecommunications provider shall not be switched to another provider without the customer's letter of agency or the electronically recorded authorization of the customer, indicating that the customer knowingly approved the specific details of the switch. The requirement of a written or electronically recorded authorization shall not apply if the customer initiates a call to the customer's local telephone service provider to request that his long-distance provider be changed. When a customer's service is changed, the new provider shall maintain for one (1) year a record of nonpublic customer-specific information that establishes that the customer authorized the change. In any dispute, the burden of proof to show that the customer knowingly authorized the change shall be on the provider that claims to have obtained customer authorization for the switch.

(3) If a letter of agency is combined with an inducement, or with information on a subject other than the change of a customer's telecommunications provider, whether or not the letter of agency can be easily severed from the rest of the document, then the language whereby a person authorizes service from the provider shall be printed in a type

size as large or larger than the largest type used in the document that includes the letter of agency.

(4) If a telecommunications provider initiates a switch of provider that the customer has not authorized under this section, that provider, upon request by the customer, shall reverse the change within five (5) business days.

(5) The customer subjected to a change that is not verified consistent with this section or administrative regulations promulgated under this section is not responsible for any charges associated with the unauthorized change, including charges for usage subsequent to the change that are in excess of the amount the customer would have paid had the service not been changed, if the customer contacts the customer's local exchange carrier, the customer's previous provider of intrastate service, or the telecommunications provider that initiated an unauthorized change in service within one hundred eighty (180) days after receipt of the customer's first bill containing charges by the telecommunications provider that initiated the unauthorized change. A telecommunications provider that has initiated an unauthorized customer change shall:

(a) Pay all charges associated with returning the customer to the customer's original telecommunications provider;

(b) Return to the customer any amount paid to the provider by the customer or on the customer's behalf in excess of the amount the customer would have paid had the service not been changed; and

(c) Upon request, provide all billing records to the original provider from which the customer was changed to enable the original provider to comply with this section.

The telecommunications provider that initiated the unauthorized change is responsible for any payment to access providers or to an underlying carrier where applicable. Failure of the customer to provide timely notice will relieve the telecommunications provider that initiated the unauthorized change of any obligations under this subsection.

(6) If the commission finds that a provider has willfully or repeatedly violated this section or an administrative regulation promulgated under it, the commission shall order the provider to take corrective action as necessary. The commission may impose a penalty on the violator as specified in KRS 278.990 (1), except that the maximum civil penalty to be assessed for each violation of this section shall be ten thousand dollars ($10,000). The commission also may, if consistent with the public interest, suspend, restrict, or revoke any certificate or registration of the telecommunications provider, thereby denying the provider the authorization to provide telecommunications service in the Commonwealth.

(7) The commission shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement the policies of this section.

The first cost study shall be completed on or before July 1, 1999, and shall be submitted to the Governor, the President of the Senate, and the Speaker of the House of Representatives, and the board shall recommend, on the basis of the cost study, whether legislation to increase the CMRS service charge should be proposed during the 2000 Regular Session of the General Assembly;

(12) To retain any and all information, including all proprietary information, that is submitted to the board by CMRS providers and PSAPs, for the purposes of maintaining it and verifying its accuracy;

(13) To retain, with approval by the Auditor of Public Accounts, an independent certified public accountant who shall audit, once every eighteen (18) months, the books of the board, CMRS providers, and PSAPs eligible to request or receive disbursements from the CMRS fund under Section 6 of this Act for the following purposes:

(a) To verify the accuracy of collection, receipts, and disbursements of all revenues derived from the CMRS service charge and the number of wireless E911 calls received by each PSAP eligible to request or receive disbursements from the CMRS fund; and

(b) To determine whether the revenues generated by the CMRS service charge equal, exceed, or are less than the costs incurred in order to comply with the FCC order.

The independent certified public accountant shall make a report of the audits to the board and to the appropriate chief executive officer or officers of the CMRS providers and PSAPs. The board shall incorporate the auditor's findings in its studies of the CMRS service charge required by subsection (4) of this section. All information with respect to the audits shall be released to the public or published only in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to individual CMRS providers;

(14) To ensure that all carriers have an equal opportunity to participate in the wireless E911 system; and

(15) To ensure that wireless E911 systems are compatible with wireline E911 systems.

SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The moneys in the CMRS fund shall be apportioned among the approved uses of the fund as specified in this section. The board shall make individual disbursements from the fund upon such terms and conditions necessary in view of the amount of revenues on deposit at the time each request for disbursement is reviewed and approved.

(1) Not more than two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement by the board to pay the administrative costs and expenses incurred in the operation of the board, including the compensation of the administrator and expenses incurred pursuant to subsections (10), (11), and (13) of Section 5 of this Act.

(2) From the balance of the total monthly revenues deposited into the CMRS fund after the amounts disbursed or reserved for disbursement under subsection (1) of this section have been subtracted, fifty percent (50%) shall be distributed to PSAPs eligible to receive disbursement from the CMRS fund under subsection (4) of this section who actually request disbursement, as follows:

(a) Twenty-five percent (25%) shall be distributed according to the "PSAP pro rata formula," whereby each receives a percentage determined by dividing one (1) by the total number of PSAPs eligible to request and actually requesting disbursements under subsection (4) of this section; and

(b) Twenty-five percent (25%) shall be distributed according to the "PSAP volume formula," whereby each receives a percentage determined by dividing the number of wireless E911 calls received by that PSAP in the previous quarter by the total number of wireless E911 calls received in the previous quarter by all PSAPs located within the boundaries of the Commonwealth that are eligible to receive and actually requesting disbursements under subsection (4) of this section.

All amounts distributed to PSAPs under this subsection shall be used by the PSAPs solely for the purposes of answering, routing, and properly disposing of CMRS 911 calls, and of complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission pursuant to the FCC order, including the payment of costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service.

(3) The balance of the total monthly revenues deposited into the CMRS fund which remains after the disbursements or disbursement reservations prescribed by subsections (1) and (2) of this section have been made shall be distributed to CMRS providers licensed to do business in the Commonwealth solely for the purpose of reimbursing the actual expenses incurred by the CMRS providers in complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, costs and expenses incurred for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service. Sworn invoices shall be presented to the board in connection with any request for reimbursement under this subsection, and approval by a majority vote of the board shall be required prior to any disbursement, which approval shall not be withheld unreasonably. In no event shall any invoice for reimbursement be approved for payment of costs that are not related to compliance with requirements established by the FCC order, or for payment of any costs incurred by a CMRS provider exceeding one hundred twenty-five percent (125%) of the CMRS emergency service charges remitted by that CMRS provider, unless prior approval for the expenditures was given by the CMRS Board. If the total amount of invoices submitted to the CMRS Board and approved for payment exceeds the amount in the CMRS fund in any month, CMRS providers that have invoices approved for payment shall receive a pro rata share of the fund available that month, based on approved invoices, and the balance of the payments shall be carried over to the following months until all of the approved payments are made.

(4) Notwithstanding any other provision of the law, no PSAP shall be eligible to request or receive a disbursement from the CMRS fund under subsection (2) of this section unless and until the PSAP:

(a) Is expressly certified as a PSAP by the CMRS Board, upon written application to the CMRS Board;

(b) Demonstrates that the PSAP is located within the boundaries of a local government that has adopted an ordinance either imposing a special tax, license, or fee as authorized by KRS 65.760(3) or establishing other means of funding wireline 911 emergency telephone service;

(c) Demonstrates that the administrator of the PSAP sent a request for wireless, E911 service to a CMRS provider, and that the infrastructure of the local exchange carrier will support wireless E911 service;

(d) Provides an accounting of the number of wireless E911 calls received by the PSAP during the prior calendar year; and

(e) Either demonstrates that the PSAP has made the investment which is necessary to allow the PSAP to receive and utilize the data elements associated with wireless E911 service, or provides to the board a binding resolution, duly adopted by the governing authority of the PSAP, committing the PSAP to expend funds to lease or purchase emergency telephone equipment, including necessary computer hardware and software, for database provisioning, for addressing, and for the other nonrecurring costs of establishing wireless E911 service.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) The CMRS Board shall implement the provisions of Sections 1 to 12 of this Act through the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A.

(2) As soon as practicable after its creation, the board shall promulgate regulations:

(a) Establishing procedures for the submission of plans or modifications of plans to the board, for its review and approval or disapproval, for complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order, including, but not limited to, projections of anticipated costs and

expenses necessary for designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining on an ongoing basis all necessary data, hardware, and software required in order to provide this service;

(b) Establishing procedures and guidelines to be followed by the board in reviewing, evaluating, and approving or disapproving the plans or modifications of plans that are submitted to it in accordance with the procedures promulgated under paragraph (a) of this subsection;

(c) Establishing procedures and guidelines to be followed by the board in reviewing, evaluating, and approving or disapproving disbursements from the CMRS fund and requests for disbursements under subsection (2) and (3) of Section 6 of this Act; and

(d) Establishing procedures and guidelines for resolving disputes regarding reimbursable costs and expenses under subsections (2) and (3) of Section 6 of this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Each CMRS provider shall act as a collection agent for the CMRS fund and shall, as part of the provider's normal monthly billing process, collect the CMRS service charges levied upon CMRS connections under subsection (2) of Section 5 of this Act from each CMRS connection to whom the billing provider provides CMRS. Each billing provider shall list the CMRS service charge as a separate entry on each bill which includes a CMRS service charge. If a CMRS provider receives a partial payment for a monthly bill from a CMRS customer, the provider shall first apply the payment against the amount the CMRS customer owes the CMRS provider.

(2) A CMRS provider has no obligation to take any legal action to enforce the collection of the CMRS service charges for which any CMRS customer is billed. Collection actions to enforce the collection of the CMRS service charge against any CMRS customer may, however, be initiated by the state, on behalf of the board, in the Circuit Court of the county where the bill for CMRS service is regularly delivered, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

(3) State and local taxes shall not apply to CMRS service charges.

(4) To reimburse itself for the cost of collecting and remitting the CMRS service charge, each CMRS provider may deduct and retain from the CMRS service charges it collects during each calendar month an amount not to exceed one and one-half percent (1.5%) of the gross aggregate amount of CMRS service charges it collected that month.

(5) All CMRS service charges imposed under Sections 1 to 12 of this Act collected by each CMRS provider, less the administrative fee described in subsection (4) of this section, are due and payable to the board monthly and shall be remitted on or before sixty (60) days after the end of the calendar month. Collection actions may be initiated by the state, on behalf of the board, in the Franklin Circuit Court or any other court of competent jurisdiction, and the reasonable costs and attorneys' fees which are incurred in connection with any such collection action may be awarded by the court to the prevailing party in the action.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Not withstanding any other provision of law, no CMRS provider or service supplier, nor their employees, directors, officers, or agents, except in cases of negligence, or wanton or willful misconduct, or bad faith, shall be liable for any damages in a civil action or subject to criminal prosecution resulting from death or injury to any person or from damage to property incurred by any person in connection with developing, adopting, establishing, participating in, implementing, maintaining, or providing access to a CMRS system for the purposes of providing wireless 911 service or E911 service in compliance with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC orders: in connection with the quality of the service; in connection with ensuring that any 911 call goes through properly; or in connection with providing access to CMRS service in connection with providing wireless 911 service or E911 service.

SECTION 10. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Each CMRS provider shall provide customer mobile handset telephone numbers and names to PSAPs when required by the board. Each CMRS provider shall provide a quarterly report to the board of the number of calls the provider forwarded to each PSAP during that quarter. Funds from the CMRS fund may be used to pay for the costs associated with providing this information. Although customer mobile handset telephone numbers and names shall be available to PSAPs, and to the board, this information shall remain the property of the disclosing CMRS provider and shall be used only in providing emergency response services to 911 calls. Mobile handset telephone numbers and names which are required to be provided under this section constitute confidential proprietary information and shall not be released to any person for purposes other than for including the numbers and names in the emergency telephone system database and for providing the numbers and names to permit a response to police, fire, medical, or other emergency situations. Notwithstanding any other provision of the law, no proprietary information provided to PSAPs under this section shall be subject to subpoena of the PSAP or otherwise released to any person other than to the submitting CMRS provider, the administrator, the board, and the

independent certified public accountant retained by the board under subsection (13) of Section 5 of this Act without the express permission of the submitting CMRS provider. General information collected by the independent certified public accountant shall only be released or published in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to an individual CMRS provider.

SECTION 11. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Wireless emergency telephone service shall not be used for personal use but shall be used solely for the purpose of communications by the public in emergency situations. Any person who knowingly uses or attempts to use wireless emergency telephone service for a purpose other than obtaining public safety assistance or who knowingly uses or attempts to use wireless emergency telephone service in an effort to avoid any CMRS charges shall be guilty of a Class A misdemeanor. If the value of the wireless emergency telephone service obtained in a manner prohibited by this section or the value of the CMRS charges exceeds one hundred dollars ($100), the offense may be prosecuted as a Class D felony.

SECTION 12. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 12 of this Act shall not be construed as enabling the Commonwealth of Kentucky, including the Public Service Commission of Kentucky, to regulate CMRS in contravention of Section 332(c)(3) of the Communications Act of 1934, as amended, 47 U.S.C. sec. 332(c)(3).

(1) Except as otherwise provided in this section, all contracts to be utilized by athlete agents shall contain in prominent type the following: "This athlete agent is registered with the Kentucky Division of Occupations and Professions. Registration does not imply approval by the division of the terms and conditions of this contract or the competence of the athlete agent."

(2) An athlete agent who negotiates or enters into an oral or written agent contract with a student athlete or provides any monetary or in-kind benefits to a student athlete who is subject to the rules and regulations of an intercollegiate sports governing body shall notify the athletic director or the president of the college or university in which the student athlete is enrolled that the athlete agent negotiated or has entered into a contract or has provided monetary or in-kind benefits to a student athlete. Written notification of the contract, regardless of the legal enforceability of the contract under this chapter or any other provision of law, or of accepting any benefits from an athlete agent shall be given before the student athlete practices for, or participates in, an athletic event on behalf of a college or university or within seventy-two (72) hours after entering into the contract or providing the benefits, whichever occurs first.

"Warning: If you as a student athlete sign this contract, you may lose your eligibility to compete in intercollegiate athletics. Under Kentucky law, you are required to notify the athletic director or president or your college or university in writing before practicing for, or participating in, an athletic event on behalf of a college or university or within seventy-two (72) hours after entering into this contract, whichever occurs first. Failure to provide this notice is a criminal offense. Do not sign this contract until you have read it and filled in any blank spaces. You may cancel this contract by notifying the athlete agent in writing of your desire to cancel not later than the fifteenth day after the date you sign this contract. However, even if you cancel this contract, the intercollegiate athletic association or conference to which your college or university belongs may not restore your eligibility to participate in intercollegiate athletics."

A student athlete committing the violation is subject to the penalty provisions of subsection (4) of Section 9 of this Act.

The rescission is effective upon repayment by the student athlete to the athlete agent of any monetary amounts paid to the student athlete by the athlete agent, exclusive of travel, lodging, meals, and entertainment, or reimbursement for these items, furnished by the athlete agent to the student athlete. The student athlete may not effect a waiver of his or her right to rescind, and an attempt to do so is prohibited and unenforceable.

Written notification of negotiation or entering into a contract, regardless of the legal enforceability of the contract under this chapter or any other provision of law, or accepting any benefits from an athlete agent shall be given before practicing for or participating in an athletic event on behalf of a college or university within seventy-two (72) hours after commencing negotiations or entering into the contract, whichever occurs first.

SECTION 8. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

(1) Any complaint against an athlete agent shall be referred to the appropriate college or university or athletic regulatory body for review and investigation. If upon investigation an athlete agent has been found to have committed a violation of Sections 1 to 9 of this Act or any administrative regulation promulgated thereunder, the college or university or athletic regulatory agency involved may recommend to the division that the athlete agent's registration be suspended or revoked. Upon receipt of that recommendation, the division shall take action with the type of action to be commensurate with the nature and severity of the violation. Administrative action authorized in this section shall be in addition to any criminal penalties provided in Section 9 of this Act or under other provisions of law.

(2) Any suspension or revocation imposed by the division under this section may be appealed by the aggrieved party within thirty (30) days of receipt of notice, and upon appeal an administrative hearing shall be conducted in accordance with the provisions of KRS Chapter 13B. In an administrative hearing conducted under this subsection, the responsibility for presenting the case in support of the suspension or revocation shall be the responsibility of the college or university or athletic regulatory agency upon whose recommendation the action was taken. Upon appeal, a disciplinary action may be stayed pending final disposition of the appeal, except for denial of registration or an emergency suspension imposed under KRS 13B.125, but only if the division determines, with the advice of the affected college or university or athletic regulatory agency, that a stay does not pose a threat to the honesty and integrity of intercollegiate sports in Kentucky, or cause damage to any college or university in Kentucky.

(3) The suspension of a registration shall be for a specified period of time not to exceed two (2) years. Revocation shall not be time specific, and an athlete agent may apply for reinstatement but not within a period of three (3) years from the date of revocation. The Senate Committee Substitute to **HCR 14** is as follows:

A CONCURRENT RESOLUTION creating the Tobacco Program Issues Group.

WHEREAS, the federal tobacco price support program is an effective, very low cost, government program that enables Kentucky's small farm operators to remain economically stable and self-sustaining; and

WHEREAS, an informal survey conducted in 1994 revealed that over 50% of tobacco experts believe there is a "moderate" to "high" probability that the federal tobacco price support program will be abolished within 10 years; and

WHEREAS, there is now before the U. S. Senate a proposal to end the federal tobacco price support program which has been introduced, in part, as a response to the Attorneys General/Tobacco Industry Settlement, Proposed Resolution of June 20, 1997; and

WHEREAS, persuasive arguments may be made that the movement to end the program is not based upon any shortcomings of the program but rather is based partly upon a desire to disrupt the market for tobacco in the belief that the disruption will accomplish through indirect action what has not been achieved through direct action -- to persuade individuals to end their use of tobacco products; and

WHEREAS, ending the tobacco price support program for this reason unfairly penalizes small farmers because it is estimated that more than 50% will no longer be able to grow tobacco without the price support program, yet many small farmers will not have the opportunity to replace that income in many areas of the state, and most notably in eastern Kentucky, where off-farm jobs are not widely available; and

WHEREAS, ending tobacco price supports for this reason also places 38 Kentucky counties at severe economic risk, because they are particularly dependent on the growing of tobacco for economic stability due to high unemployment in those counties; and

WHEREAS, Kentucky must protect against the economic disruption that would follow from an end to the federal tobacco price support program and prepare to substitute an equally effective program to provide tobacco price stability to small farmers and the communities in which they live;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Tobacco Task Force is directed to develop a strategy for the state to enter into a tobacco price support program with other tobacco producing states. The strategy shall include but not be limited to: structuring a states' program similar to the federal program; determining the legal requirements for establishing a states' tobacco price support program; and preparing the initial steps that Kentucky may need to take to enter into a states' program.

Section 2. The task force shall hold no less than two (2) meetings to carry out the purposes of Section 1. The task force shall, at a minimum, seek testimony from the Kentucky Farm Bureau, the Community Farm Alliance, the Burley Tobacco Growers Cooperative Association, the Burley Auction Warehouse Association, the Council for Burley Tobacco, the University of Kentucky College of Agriculture, Ag Project 2000, the Governor's Office, the Department of Agriculture, and the Economic Development Cabinet.

Section 3. The task force shall report to the LRC no later than September 15, 1999. In the event that the U. S. Congress moves to end the federal tobacco price support program before the report is due, the task force shall immediately advise the Legislative Research Commission and the Governor's Office on the steps to take to best protect the interests of the state and the state's tobacco producers.

The Senate Committee Amendment No. 1 Title to the Senate Committee Substitute to **HCR 14** is as follows:

Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost***. In determining whether a student has brought a weapon to school, a local board of education shall use the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.

(3) ***School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur.***

(4) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:

(a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;

(b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and

(c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

(5)[~~(4)~~] The superintendent, principal, assistant principal, or head teacher of any school may suspend a pupil but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or control of the pupil. The board of education of any school district may expel any pupil for misconduct as defined in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

(6)[~~(5)~~] (a) Suspension of exceptional children, as defined in KRS 157.200, for more than a total of ten (10) days during a school year shall constitute a change of educational placement. The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.

(b) If the admissions and release committee determines that an exceptional child's behavior is related to his disability, the child shall not be suspended any further or expelled ***unless the current placement could result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all***. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

(7) Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.

SECTION 12. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

When the principal has a reasonable belief that an act has occurred on school property or at a school-sponsored function involving assault resulting in serious physical injury, a sexual offense, kidnapping, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a controlled substance in violation of the law, or damage to the property, the principal shall immediately report the act to the appropriate local law enforcement agency. For purposes of this section, "school property" means any public school building, bus, public school campus, grounds, recreational area, or

athletic field, in the charge of the principal.

Section 13. KRS 160.345 is amended to read as follows:

(1) For the purpose of this section:

(a) "Minority" means American Indian; Alaskan native; African-American; Hispanic, including persons of Mexican, Puerto Rican, Cuban, and Central or South American origin; Pacific islander; or other ethnic group underrepresented in the school.

(b) "School" means an elementary or secondary educational institution that is under the administrative control of a principal or head teacher and is not a program or part of another school. The term "school" does not include district-operated schools that are:

1. Exclusively vocational-technical, special education, or preschool programs;

2. Instructional programs operated in institutions or schools outside of the district; or

3. Alternative schools designed to provide services to at-risk populations with unique needs.

(c) "Teacher" means any person for whom certification is required as a basis of employment in the public schools of the state with the exception of principals, assistant principals, and head teachers.

(d) "Parent" means:

1. A parent, stepparent, or foster parent of a student; or

2. A person who has legal custody of a student pursuant to a court order and with whom the student resides.

(2) By January 1, 1991, each local board of education shall adopt a policy for implementing school-based decision making in the district which shall include, but not be limited to, a description of how the district's policies, including those developed pursuant to KRS 160.340, have been amended to allow the professional staff members of a school to be involved in the decision making process as they work to meet educational goals established in KRS 158.645 and 158.6451. The policy may include a requirement that each school council make an annual report at a public meeting of the board describing the school's progress in meeting the educational goals set forth in KRS 158.6451 and district goals established by the board. The policy shall also address and comply with the following:

(a) Except as provided in paragraph (b)2. of this subsection, each participating school shall form a school council composed of two (2) parents, three (3) teachers, and the principal or administrator. The membership of the council may be increased, but it may only be increased proportionately. The teacher representatives shall be Kentucky residents. The parent representatives on the council shall not be employees of the district or employees' relatives, nor shall they be a local board member or his spouse. None of the members shall have a conflict of interest pursuant to KRS Chapter 45A, except the salary paid to district employees.

(b) 1. The teacher representatives shall be elected for one (1) year terms by a majority of the teachers. The parent representatives shall be elected for one (1) year terms. The parent members shall be elected by the parents of students preregistered to attend the school during the term of office in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. A school council, once elected, may adopt a policy setting different terms of office for parent and teacher members subsequently elected, but the terms shall not exceed two (2) years nor be consecutive. The principal or head teacher shall be the chair of the school council.

2. School councils in schools having eight percent (8%) or more minority students enrolled, as determined by the enrollment on the preceding October 1, shall have at least one (1) minority member. If the council formed under paragraph (a) of this subsection does not have a minority member, the principal, in a timely manner, shall be responsible for carrying out the following:

a. Organizing a special election to elect an additional member. The principal shall call for nominations and shall notify the parents of the students of the date, time, and location of the election to elect a minority parent to the council by ballot; and

b. Allowing the teachers in the building to select one (1) minority teacher to serve as a teacher member on the council. If there are no minority teachers who are members of the faculty, an additional teacher member shall be elected by a majority of all teachers. Term limitations shall not apply for a minority teacher member who is the only minority on faculty.

(c) 1. The school council shall have the responsibility to set school policy consistent with district board policy which shall provide an environment to enhance the students' achievement and help the school meet the goals established by KRS 158.645 and 158.6451. The principal or head teacher shall be the primary administrator and the instructional leader of the school, and with the assistance of the total school staff shall administer the policies established by the school council and the local board.

2. If a school council establishes committees, it shall adopt a policy to facilitate the participation of interested persons, including, but not limited to, classified employees and parents. The policy shall

include the number of committees, their jurisdiction, composition, and the process for membership selection.

(d) The school council and each of its committees shall determine the frequency of and agenda for their meetings. Matters relating to formation of school councils that are not provided for by this section shall be addressed by local board policy.

(e) The meetings of the school council shall be open to the public and all interested persons may attend. However, the exceptions to open meetings provided in KRS 61.810 shall apply.

(f) After receiving notification of the funds available for the school from the local board, the school council shall determine, within the parameters of the total available funds, the number of persons to be employed in each job classification at the school. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals.

(g) The school council shall determine which textbooks, instructional materials, and student support services shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council.

(h) From a list of applicants submitted by the local superintendent, the principal at the participating school shall select personnel to fill vacancies, after consultation with the school council. Requests for transfer shall conform to any employer-employee bargained contract which is in effect. If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. Personnel decisions made at the school level under the authority of this subsection shall be binding on the superintendent who completes the hiring process. The superintendent shall provide additional applicants upon request when qualified applicants are available.

(i) The school council shall adopt a policy to be implemented by the principal in the following additional areas:

1. Determination of curriculum, including needs assessment and curriculum development;
2. Assignment of all instructional and noninstructional staff time;
3. Assignment of students to classes and programs within the school;
4. Determination of the schedule of the school day and week, subject to the beginning and ending times of the school day and school calendar year as established by the local board;
5. Determination of use of school space during the school day;
6. Planning and resolution of issues regarding instructional practices;
7. Selection and implementation of discipline and classroom management techniques ***as a part of a comprehensive school safety plan***, including responsibilities of the student, parent, teacher, counselor, and principal;
8. Selection of extracurricular programs and determination of policies relating to student participation based on academic qualifications and attendance requirements, program evaluation, and supervision; and
9. Procedures, consistent with local school board policy, for determining alignment with state standards, technology utilization, and program appraisal.

(3) The policy adopted by the local board to implement school-based decision making shall also address the following:

(a) School budget and administration, including: discretionary funds; activity and other school funds; funds for maintenance, supplies, and equipment; and procedures for authorizing reimbursement for training and other expenses;

(b) Assessment of individual student progress, including testing and reporting of student progress to students, parents, the school district, the community, and the state;

(c) School improvement plans, including the form and function of strategic planning and its relationship to district planning***, as well as the school safety plan and requests for funding from the state grant program for school safety under Section 6 of this Act***;

(d) Professional development plans developed pursuant to KRS 156.095 and 156.0951;

(e) Parent, citizen, and community participation including the relationship of the council with other groups;

(f) Cooperation and collaboration within the district, with other districts, and with other public and private agencies;

(g) Requirements for waiver of district policies;

(h) Requirements for record keeping by the school council; and

(i) A process for appealing a decision made by a school council.

(4) In addition to the authority granted to the school council in this section, the local board may grant to the school council

any other authority permitted by law. The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. By June 30, 1991, each local board shall submit to the chief state school officer the name of at least one (1) school which shall implement school-based decision making the following school year. The board shall select a school in which two-thirds (2/3) of the faculty vote to implement school-based decision making. If no school in the district votes to implement school-based decision making, the local board shall designate one (1) school of its choice. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school performing above its threshold level requirement as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. School council members elected for the first time shall complete a minimum of six (6) clock hours of training in the process of school-based decision making, and school council members who have served on a school council at least one (1) year shall complete a minimum of three (3) clock hours of training in the process of school-based decision making. School council training required under this subsection shall be conducted by trainers endorsed by the Department of Education, and school council members shall complete the required training no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the chief state school officer and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The Kentucky Board of Education, upon recommendation of the chief state school officer, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The school council shall plan professional development with the district's coordinator and other school councils. Small schools shall be encouraged to work with other school councils to maximize professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

Section 14. KRS 610.320 is amended to read as follows:

(1) A special record book shall be kept by the court for all cases, to be known as the "juvenile record," and the docket or calendar of such cases shall be called the "juvenile docket."

(2) No probation officer, nor employee of a probation officer, shall, without the consent of the District Judge sitting in

juvenile session, divulge or communicate to any persons other than the court, an officer of the court interested in the case, a member of the advisory board of the court, or a representative of the cabinet, any information obtained pursuant to the discharge of his duties, nor shall any record of the action of the probation officer be made public except by leave of the District Judge; provided, that nothing in this subsection shall prohibit the probation officer from divulging or communicating such information to the court, to his colleagues or superiors in his own department, or to another probation officer having a direct interest in the record or social history of the child.

(3) All law enforcement and court records regarding children who have not reached their eighteenth birthday shall not be opened to scrutiny by the public, except court records, limited to the petition, order of the adjudication, and disposition in juvenile delinquency proceedings concerning a child who is adjudicated a juvenile delinquent for the commission of an offense that would constitute a capital offense or a Class A, B, or C felony if the juvenile were an adult, or any offense involving a deadly weapon, or an offense wherein a deadly weapon is used or displayed. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act is also prohibited. Otherwise, the law enforcement records shall be made available to the child, family, guardian, or legal representative of the child involved. The records shall also be made available to the court, probation officers, or representatives of the cabinet. Records, limited to the child's adjudication of delinquency, and disposition of a criminal activity covered by KRS 610.345, shall also be made available to public or private elementary and secondary school administrative***, transportation,*** and counseling personnel, and to any teacher to whose class the student has been assigned for instruction, subject to the provisions of KRS 610.340 and 610.345.

(4) Subject to the Kentucky Rules of Evidence, juvenile court records of adjudications of guilt of a child for an offense which would be a felony if committed by an adult shall be admissible in court at any time the child is tried as an adult, or after the child becomes an adult, at any subsequent criminal trial relating to that same person. Juvenile court records made available pursuant to this section may be used for impeachment purposes during a criminal trial, and may be used during the sentencing phase of a criminal trial. However, the fact that a juvenile has been adjudicated delinquent of an offense which would be a felony if the child had been an adult shall not be used in finding the child to be a persistent felony offender based upon that adjudication.

(5) This section shall not relieve the probation officer or peace officer from divulging such facts as a witness in a trial or hearing involving any cases falling under KRS Chapters 600 to 645 or the production of juvenile records for use in the trial or proceedings.

(6) This section shall not prohibit release of information regarding juvenile proceedings in the District Court which do not reveal the identity of the child or its parents or guardians, or which relate to the child's eligibility for services under Title IV-E or IV-B of the Federal Social Security Act. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court.

Section 15. KRS 610.340 is amended to read as follows:

(1) Unless a specific provision of KRS Chapters 600 to 645 specifies otherwise, all juvenile court records of any nature generated pursuant to KRS Chapters 600 to 645 by any agency or instrumentality, public or private, shall be deemed to be confidential and shall not be disclosed except to the child, parent, and to the extent necessary at the proceeding to victims, or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070 unless ordered by the court for good cause. Juvenile court records which contain information pertaining to arrests, petitions, adjudications, and dispositions of a child may be disclosed to victims or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070. Release of the child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the Federal Social Security Act shall not be disclosed to victims or other persons authorized to attend a juvenile court hearing pursuant to KRS 610.070.

(2) The provisions of this section shall not apply to public officers or employees engaged in the prosecution of cases under KRS Chapters 600 to 645 or other portions of the Kentucky Revised Statutes provided that the inspection of the records and the disclosure of the information contained therein is limited to that required in the investigation and the prosecution of the case.

(3) The provisions of this section shall not apply to employees of the cabinet or its designees responsible for any services under KRS Chapters 600 to 645 or to attorneys for parties involved in actions relating to KRS Chapters 600 to 645 or other prosecutions authorized by the Kentucky Revised Statutes provided that the inspection of the records and the disclosure of the information contained therein is limited to that required in the investigation and the representation of the client in the case.

(4) The provisions of this section shall not apply to records disclosed pursuant to KRS 610.320 or to public or private elementary and secondary school administrative***, transportation,*** and counseling personnel, to any teacher to whose class the student has been assigned for instruction, or to persons entitled to have juvenile records under KRS 610.345, if the possession and use of the records is in compliance with the provisions of KRS 610.345 and this section.

(5) No person, including school personnel, shall disclose any record or any information contained therein except as permitted

by this section or other specific section of KRS Chapters 600 to 645, or except as permitted by specific order of the court.

(6) No person, including school personnel, authorized to obtain records pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records to which he is not entitled or for purposes for which he is not permitted to obtain them pursuant to KRS Chapters 600 to 645.

(7) No person, including school personnel, not authorized to obtain records pursuant to KRS Chapters 600 to 645 shall obtain or attempt to obtain records which are made confidential pursuant to KRS Chapters 600 to 645 except upon proper motion to a court of competent jurisdiction.

(8) No person shall destroy or attempt to destroy any record required to be kept pursuant to KRS Chapters 600 to 645 unless the destruction is permitted pursuant to KRS Chapters 600 to 645 and is authorized by the court upon proper motion and good cause for the destruction being shown.

(9) As used in this section the term "KRS Chapters 600 to 645" includes any administrative regulations which are lawfully promulgated pursuant to KRS Chapters 600 to 645.

Section 16. KRS 610.345 is amended to read as follows:

(1) When a child is adjudicated guilty of an offense which classifies him as a youthful offender under KRS Chapter 640, the court in which the matter was tried shall notify the principal of any public or private elementary or secondary school which the child attends of the adjudication and the petition and disposition of the case. The name of the complainant shall be deleted. Upon written request of the authorized representative of the school, the court, if it deems it appropriate, may authorize the county attorney to give the school a statement of facts in the case.

(2) When a child is adjudicated guilty of an offense which would classify him as a violent offender under KRS 439.3401, or be a felony under KRS Chapter 218A, 508, 510, or 527 if committed by an adult, but which would not classify him as a youthful offender under KRS Chapter 640, the court in which the matter was tried shall notify ***within five (5) days of the order*** the principal of any public or private elementary or secondary school which the child attends of the charge, the adjudication, and the disposition of the case. The name of the complainant shall be deleted. Upon written request of the authorized representative of the school, the court, if it deems it appropriate, may authorize the county attorney to give the school a statement of facts in the case.

(3) ***Notice of adjudication to the school principal referenced in subsections (1) and (2) of this section shall be released by the principal to employees of the school having responsibility for classroom instruction of the child and may be released to other school personnel as described in subsection (4) of this section, but the information shall otherwise be confidential and shall not be shared by school personnel with any other person or agency except as may otherwise be required by law. The notification in writing of the nature of the offense committed by the child and any probation requirements shall not become a part of the child's student record.***

(4) Records or information disclosed pursuant to this section shall be limited to records of that student's criminal petition and the disposition thereof covered by this section, shall be subject to the provisions of KRS 610.320 and 610.340, and shall not be disclosed to any other person, including school personnel, except to public or private elementary and secondary school administrative***, transportation,*** and counseling personnel, and to any teacher to whose class the student has been assigned for instruction. This section shall not authorize the disclosure of any other juvenile record or information relating to the child.

(5)[~~(4)~~] Records or information received by the school pursuant to this section shall be kept in a locked file, when not in use, to be opened only on permission of the administrator.

Section 17. Whereas it is critical that the board of directors for the Center for School Safety be appointed by July 15, 1998, in order to select a university location for the Center for School Safety by January 1, 1999, an emergency is declared to exist, and this Act takes effect upon its passage and approval of the Governor or upon its otherwise becoming law.

"Section 10. KRS 157.360 is amended to read as follows:

(1) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.

(2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year. Each district's base funding level shall be adjusted by the following factors:

(a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly***. Funds generated under this paragraph may be used to pay a hazardous duty pay supplement as determined by the local board of education to the teachers who work in alternative programs with students who are violent or assaultive***;

(b) The number and types of exceptional children in the district as defined by KRS 157.200. No later than October 1, 1993, specific weights for each category of exceptionality shall be developed by the Department of Education and shall be used in the calculation of the add-on factor for exceptional children. Prior to the development of the necessary weights, the General Assembly shall determine the costs associated with the education of exceptional children based on the count of pupils with different exceptionalities, an appropriate pupil-teacher ratio, and total per-pupil costs; and

(c) Transportation costs. The per-pupil cost of transportation shall be calculated as provided by KRS 157.370. No later than October 1, 1991, the Office of Education Accountability's Division of School Finance shall examine the components of the current system for allocating transportation funds, and recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.

(3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year. No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.

(4) (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except as provided in subsection (5) of this section, the maximum number of pupils enrolled in a class shall be as follows:

1. Twenty-four (24) in primary grades (kindergarten through third grade);
2. Twenty-eight (28) in grade four (4);
3. Twenty-nine (29) in grades five (5) and six (6);
4. Thirty-one (31) in grades seven (7) to twelve (12);

(b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.

(c) The chief state school officer, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).

(d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to

KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.

(5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.

(6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.

(7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.

(8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(9) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.

(10) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(11) (a) Instructional salaries for vocational agriculture classes shall be allotted for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Division of Secondary Vocational Education in the Department of Education. Salary allotments for vocational agriculture teachers shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.

(b) Each teacher of agriculture employed shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the State Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher. Twenty percent (20%) of the approved vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.

(c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.

(12) (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding, excluding the

capital outlay, shall be allotted for each child in average daily attendance in the prior school year who has been properly identified according to Kentucky Board of Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and

(b) Pursuant to administrative regulations of the Department of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education.

(13) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.";

A RESOLUTION adjourning the House of Representatives in honor of the National Thumb Pickers Hall of Fame in Muhlenberg County, Kentucky, upon the occasion of its first induction ceremony on April 11, 1998.

WHEREAS, thumb picking is the art of picking a guitar in this manner: the bass strings or upper three strings are alternately picked with the thumb to set the rhythm for the music, while the forefinger of the same hand, and often more than one finger, picks the melody on the lower three or treble strings. Notes picked together in this unique method give the rolling sound of more than one guitar while only one is being played, and it is the most remarkable style of music in the world today, and one of the most difficult to master; and

WHEREAS, the earliest known and documented forms of thumb picking were in Muhlenberg County before the turn of the last century, and the earliest person to have been documented to have picked in this style was Alice DeArmond Jones of Dunmor in Muhlenberg County. She passed this style on to her son, Kennedy Jones, who, in using his bare thumb to pick the guitar, wore a blister and because of this turned to a thumb pick, which had before been used only for Hawaiian guitars. He was the first person documented to have used a thumb pick in this style of music; and

WHEREAS, the National Thumb Pickers Hall of Fame was organized to honor past, present and future thumb pickers, their supporting musicians and supporting individuals who have aided in the perpetuation and preservation of this unique style of American music; it also promotes, perpetuates and preserves all thumb picking efforts, including the promotion of various thumb picking programs and projects; and

WHEREAS, the charter inductees into the Thumb Pickers Hall of Fame will be in the following categories: Deceased Thumb Pickers - Grandpa Jones, Ike Everly, Kennedy Jones, Mose Rager, Arnold Shultz and Merle Travis; Living Musicians - Chet Atkins; Supporting Musicians - Lightning Chance; and Non-Musician - Laverda Rager; and an induction ceremony honoring these charter inductees will be held at the Drakesboro School gymnasium in Muhlenberg County at 7:00 p.m. on April 11, 1998; and

WHEREAS, the National Thumb Pickers Hall of Fame will display a duplicate set of plaques for the honorees along with their photographs, and it will be temporarily based in the Muhlenberg County courthouse in Greenville, Kentucky, and then will be moved to the newly renovated Merle Travis birthplace home which is in Paradise Park in Muhlenberg County;

NOW, THEREFORE,

The plan shall be submitted to the Commission by July 1 the first year of each biennium. A summary of the findings shall be submitted to the Legislative Research Commission by September 1 of the second year of the biennium.

Section 12. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

(1) ***After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability,*** the Kentucky Board of Education shall promulgate administrative regulations ***in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A*** to establish a system ***for identifying and rewarding***[~~of determining~~] successful schools***. A reward shall be distributed to successful schools based on the number of full-time, part-time, and itinerant certified staff employed in the school on the last working day of the year of the reward to be used for school purposes as determined by the school council or, if none exists, the principal.***[~~and dispensing appropriate rewards. The system shall be based on the following:~~

~~(a) A school shall be the unit of measure to determine success;~~

~~(b) School success shall be determined by measuring a school's improvement over a two (2) year period;~~

~~(c) A school shall be rewarded for an increased proportion of successful students, including those students who are at risk of school failure;~~

~~(d) A threshold level for school improvement shall be established by the board to determine the amount of success needed for a school to receive a reward. The threshold definition shall establish the percentage of increase required in a school's percentage of successful students as compared to a school's present proportion of successful students, with consideration given to the fact that a school closest to having one hundred percent (100%) successful students will have a lower percentage increase required;~~

~~(e) Rewards shall be given to the school on behalf of the full time, part time, and itinerant instructional staff of a school who generate the reward when the school achieves at least one percent (1%) gain over its threshold as defined in paragraph (d) of this subsection. Substitute teachers shall not be used in calculating the reward;~~

~~(f) Rewards shall be calculated by applying the percentage set by the General Assembly in the biennial budget to the current annual salary of each certified staff person employed in the school on the last working day of the year of the reward. The reward for part-time and itinerant staff shall be calculated for the proportion of time spent in the school. In determining the percentage to be applied to a school for calculation of the rewards for the school's staff, consideration shall be given to the fact that schools already having a high percentage of successful students shall have a lower requirement for a percentage increase in its number of successful students. The staff person's identity in connection to his share of the reward shall be maintained when his share of the reward is deposited to the school's account;~~

~~(g) The certified staff members shall by majority rule collectively decide on the ways the reward funds shall be spent. Each individual staff person shall use the amount he earned in accordance with the decisions made by the total staff. Rewards shall not be added to a staff person's base salary and shall not be defined as compensation for retirement purposes under KRS 161.220(10); and~~

~~(h) The Department of Education shall send the school's reward to the local district office for transmittal to the school.]~~

The consequences shall be designed to improve teaching and learning and may include, but not be limited to:***

(a) A scholastic audit process under subsection (4) of this section to determine the appropriateness of a school's classification and to recommend needed assistance;

(b) School improvement plans;

A school that does not reach its threshold level but maintains the previous proportion of successful students after the second biennial review shall be required to meet the provisions of subsection (4) of this section.]~~

(4) ***(a) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A establishing the guidelines for conducting scholastic audits, which shall include the process for:***

1. Appointing and training team members. The team shall include at least a highly skilled certified educator under Section 14 of this Act, a teacher, a principal or other local district administrator, a parent, and a university faculty member;

2. Reviewing a school's learning environment, efficiency, and academic performance of students;

3. Evaluating each certified staff member assigned to the school. Only certified members of the audit team shall evaluate personnel; and

4. Making a recommendation to the Kentucky Board of Education about the appropriateness of a school's classification and a recommendation concerning the assistance required by the school to improve teaching and learning.

The formula shall be based on the academic and nonacademic components that are administered in a consistent manner during the four (4) year period.

(b) 1. The Kentucky Board of Education shall reward schools that exceed their improvement goal and have an annual average dropout rate below eight percent (8%).

2. Schools failing to improve as identified by the board shall be reviewed by a scholastic audit team appointed by the state board under subsection (4) of this section. The audit shall not include a formal evaluation of each certified staff member. The team shall determine whether the school shall have highly skilled education assistance for advisory purposes. All schools failing to achieve their goal shall develop a school improvement plan and shall be eligible for school improvement funds under Section 13 of this Act.

(6) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, ~~[A school in which the proportion of successful students declines by less than five percent (5%) shall be required to develop a school improvement plan, shall be eligible to receive funds from the school improvement fund, and shall have one (1) or more Kentucky distinguished educators assigned to the school to carry out the duties as described in KRS 158.782. If the school does not meet its original threshold after the next biennial review or after the 1996-98 biennial review, whichever is later, the school shall be subject to the requirements of subsection (5) of this section.~~

~~(5) A school in which the proportion of successful students declines by five percent (5%) or more in any biennium beginning with the 1994-96 biennium shall be declared by the Kentucky Board of Education to be a "school in crisis." ~~(a) The full-time and part-time certified staff of that school shall be placed on probation;~~

~~(b) The principal shall immediately notify the students' parents of the students' right to transfer to a successful school, with procedures for initiating the request;~~

~~(c) Within thirty (30) days after the declaration by the state board under this subsection or no later than thirty (30) days before the start of the next school year, whichever is later, any student in that school may request and shall be allowed to transfer to a successful school as determined under the provisions of subsection (2) of this section. The superintendent shall select the receiving successful school in the home district or make arrangements with a neighboring district. If two (2) districts cannot agree, the superintendent of the student's resident district shall request the Kentucky Board of Education to resolve the issue and make a decision on the placement of the student within thirty (30) days of the request. The board of the district in which the student resides shall be responsible for all tuition and transportation costs incurred as a result of a student transferring from a "school in crisis" to a successful school. If a decline in student enrollment causes overstaffing at the "school in crisis," personnel shall be reduced or transferred pursuant to KRS 161.760 and 161.800.~~

~~(d) One (1) or more Kentucky distinguished educators shall be assigned to the school by the commissioner of education to carry out the duties as described in KRS 158.782. Notwithstanding any other statute to the contrary, at the end of six (6) months, the Kentucky distinguished educator shall evaluate and make a recommendation to the superintendent regarding the retention, dismissal, or transfer of each full-time and part-time certified staff member. Recommendations for transfer shall conform to any employer-employee bargained contract which is in effect. Recommendations for dismissal shall be binding on the superintendent who shall notify the staff member pursuant to KRS 161.790. This evaluation process shall continue every six (6) months until the school is no longer a "school in crisis" as determined by the Kentucky Board of Education; and~~

~~(e) The school shall be required to develop a school improvement plan and shall be eligible to receive funds from the~~

~~school improvement fund.~~

~~(6) The Kentucky Board of Education shall develop a system of rewards and sanctions for certified staff who are not assigned to a school in a local school district. The system shall be analogous to the system described in subsections (1) to (5) of this section. Rewards shall be given to nonschool based staff when the district's proportion of successful students increases above a threshold adopted by the state board and comparable to the threshold adopted for schools. Sanctions shall be imposed when the proportion of successful students in the district declines in the same proportion used to determine school sanctions under subsections (3), (4), and (5) of this section. A school district that does not meet its threshold shall be required to develop a district improvement plan defined in KRS 158.650.~~

~~(7) A school district in which the proportion of successful students declines by five percent (5%) or more in any biennium beginning with the 1994-96 biennium shall be assigned one (1) or more Kentucky distinguished educators to assist the system, evaluate personnel, and notwithstanding any other statute to the contrary, make personnel recommendations every six (6) months on retention, dismissal, or transfer. Personnel recommendations shall be made to the superintendent. Recommendations on the superintendent's status shall be made to the local board of education. If the recommendation is to terminate the superintendent, the board shall terminate the contract pursuant to KRS 160.350. If a district has a declining proportion of successful students for two (2) consecutive biennial assessment periods, the district shall be declared an education development district pursuant to KRS 158.685, and the board members and the superintendent shall be removed under the provisions of KRS 156.132 and 156.136.~~

~~(8)~~]the Kentucky Board of Education shall ***promulgate***~~[adopt]~~ administrative regulations ***in conformity with Sections 3 and 4 of this Act and KRS Chapter 13A***, to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.

Section 13. KRS 158.805 is amended to read as follows:

(1) There is hereby created the Commonwealth school improvement fund to assist local schools in pursuing new and innovative strategies to meet the educational needs of the school's students and raise the school's performance level. In the case of a member of a school council, the written charges shall be provided to the local board of education.

If the charges brought under this subsection represent an immediate threat to the public health, safety, or welfare, the Kentucky Board of Education shall summarily suspend the person against whom the charges are made. The action by the Kentucky Board of Education may be taken upon a recommendation of the chief state school officer, or the action may be taken by a majority vote of the Kentucky Board of Education without recommendation from the chief state school officer.

(3) The Kentucky Board of Education may suspend a district superintendent of schools or other public school officer under subsection (2) of this section or remove him pursuant to subsection (5) of this section only if, after thirty (30) days of receipt of the written charges specified in subsection (1) of this section, the proper school authorities having immediate jurisdiction, either the superintendent or the district board of education, have refused to act, have acted in bad faith, arbitrarily, or capriciously, or if a recommendation to the district board would have been futile.

(4) Any officer suspended by the Kentucky Board of Education under subsection (2) of this section shall be furnished with an emergency order specifying in detail the reasons for suspension and notifying the officer of his right to appeal the action and have an emergency hearing pursuant to KRS 13B.125.

(5) As an alternative to first seeking suspension, the chief state school officer may recommend by written charges the removal by the Kentucky Board of Education of any district board member, superintendent of schools, or other public school officer whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, willful neglect of duty, or nonfeasance~~[, or who shall be removed pursuant to KRS 158.6455(7)]~~. The officer against whom the written charges are issued by the chief state school officer shall be furnished with the written charges and notice of procedural rights conferred under KRS Chapter 13B. Within twenty (20) days after receipt of the charges, the officer may notify the Kentucky Board of Education of his intention to appear and answer the charges. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. If the officer fails to notify the board of his intention to appear and answer the charges, the Kentucky Board of Education may remove the officer by a majority vote, and the dismissal shall be final.

(6) The hearing shall be public or private at the discretion of the accused former or current superintendent and shall be public when testimony is taken for board members.

(7) The Kentucky Board of Education may meet in closed session to consider the evidence and may by a majority vote remove the officer. If the board votes to remove the officer, the board shall prepare final order specifying which charge or charges it found to be the basis for removal. If within ninety (90) days from the date of suspension if applicable, the state board has not removed the officer, or has dismissed the charges, the suspended officer shall be reinstated and shall be paid his full salary for the period of suspension.

(8) The officer shall have a right to appeal on the record to the Circuit Court located in the county of the school district in accordance with KRS Chapter 13B. If the decision of the court is against removal, the officer shall be paid his full salary from the date of suspension. The payment shall be made from funds appropriated to the State Department of Education.

(9) If a superintendent of schools is removed from office or resigns while charges are pending pursuant to this section after July 15, 1994, any continuing contract pursuant to KRS 161.720 to 161.810 shall be terminated. If the removal is reversed upon appeal, the continuing contract shall be restored and he shall be paid his full salary for the period of suspension.

Section 16. KRS 161.790 is amended to read as follows:

(1) The contract of a teacher shall remain in force during good behavior and efficient and competent service by the teacher and shall not be terminated except for any of the following causes:

(a) Insubordination, including but not limited to violation of the school laws of the state or administrative regulations adopted by the Kentucky Board of Education or lawful rules and regulations established by the local board of education for the operation of schools, or refusal to recognize or obey the authority of the superintendent, principal, or any other supervisory personnel of the board in the performance of their duties;

(b) Immoral character or conduct unbecoming a teacher;

(c) Physical or mental disability;

(d) Inefficiency, incompetency, or neglect of duty, when a written statement identifying the problems or difficulties has been furnished the teacher or teachers involved.

(2) Charges under subsections (1)(a) and (1)(d) of this section shall be supported by a written record of teacher performance by the superintendent, principal, or other supervisory personnel of the district, except when the charges are brought as a result of a recommendation made~~[by a Kentucky distinguished educator]~~ under KRS 158.6455.

(3) No contract shall be terminated except upon notification of the board by the superintendent. Prior to notification of the board, the superintendent shall furnish the teacher with a written statement specifying in detail the charge against the teacher. The teacher may within ten (10) days after receiving the charge notify the chief state school officer and the superintendent of his intention to answer the charge, and upon failure of the teacher to give notice within ten (10) days, the dismissal shall be final.

(4) Upon receiving the teacher's notice of his intention to answer the charge, the chief state school officer shall appoint a three (3) member tribunal, consisting of one (1) teacher, one (1) administrator, and one (1) lay person, none of whom reside in the district, to conduct an administrative hearing in accordance with KRS Chapter 13B within the district. The chief state school officer shall name the chairman and set the date and time for the hearing. The hearing shall begin no later than forty-five (45) days after the teacher files the notice of intent to answer the charge.

(5) The hearing may be public or private at the discretion of the teacher. At the hearing, a hearing officer appointed by the chief state school officer shall preside with authority to rule on procedural matters, but the tribunal shall be the ultimate trier of fact. The local board shall pay each member of the tribunal a per diem of one hundred dollars ($100) and travel expenses.

(6) Upon hearing both sides of the case, the tribunal may by a majority vote render its decision or may defer its action for not more than five (5) days. Provisions of KRS Chapter 13B notwithstanding, the tribunal decision shall be a final order and may be rendered on the record.

(7) The superintendent may suspend the teacher pending final action to terminate the contract, if, in his judgment, the character of the charge warrants the action. If after the hearing the decision of the tribunal is against termination of the contract, the suspended teacher shall be paid his full salary for any period of suspension.

(8) The teacher shall have the right to make an appeal to the Circuit Court having jurisdiction in the county where the school district is located in accordance with KRS Chapter 13B.

(9) As an alternative to termination of a teacher's contract, the superintendent upon notifying the board and providing written notification to the teacher of the charge may impose other sanctions, including, suspension without pay, public reprimand, or private reprimand. The procedures set out in subsection (3) of this section shall apply, except to a private reprimand. The teacher may appeal the action of the superintendent, except a private reprimand, in the same manner as established in subsections (4) to (8) of this section. Upon completion of a suspension period, the teacher may be reinstated.

The Senate Committee Substitute to **HB 810** is as follows:

AN ACT relating to public officials.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 64 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly of the Commonwealth of Kentucky hereby finds and determines that county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties are officers whose duties or jurisdictions are coextensive with that of the Commonwealth within the meaning of Section 246 of the Constitution of Kentucky.

(2) Effective on the first Monday in January of 1999, the maximum salary of county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall be fixed by the Department of Local Government according to a salary schedule in accordance with Section 246 of the Kentucky Constitution. The salary schedule provides that these officials, as officers whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars ($12,000) per annum as adjusted for any increase or decrease in the consumer price index and as described in subsection (4) of this section.

(3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the Department of Local Government shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. For the purposes of this section, the salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall remain as determined by the Department of Local Government pursuant to this section, regardless of changes in the population estimates or the actual census count that may occur during the term for which the official has been elected or appointed. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department of Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(4) Upon publication of the annual consumer price index by the United States Department of Commerce, the

Department of Local Government shall fix the salary of the county judge/executive, county clerk, jailer who operates a full service jail, and sheriff at an annual rate of salary to which the county official is entitled pursuant to the increase in the Consumer Price Index and the salary schedule contained in this section. This salary determination shall be retroactive to the preceding January 1.

(5) Notwithstanding any provision contained in Section 1 of this Act, no county official holding office on the effective date of this Act, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on the effective date of this Act.

(6) In addition to the step increases based on service in office, each officer shall be paid an increase of one hundred dollars ($100) for each forty (40) hour training unit successfully completed. Each training unit shall be approved and certified by the Department of Local Government. Each unit shall be available to officials in each office based on continuing service in that office.

(7) Except in counties that contain an urban-county form of government, justices of the peace who serve on fiscal courts and county commissioners shall also be eligible for the training and resulting one hundred dollars ($100) per forty (40) hour unit increase.

Section 2. KRS 64.345 is amended to read as follows:

(1) The county clerk and sheriff of each county having a population of seventy thousand (70,000) or over shall receive an annual salary ***pursuant to the salary schedule in Section 1 of this Act***[~~of fourteen thousand three hundred dollars ($14,300)~~].

(2) In counties containing a city of the first class and in counties having an urban-county form of government, the amount, if any, allowed for the necessary office expenses of each officer shall be approved by the fiscal court in counties containing a city of the first class and by the legislative body in counties containing an urban-county form of government. This approval shall be signed by the county judge/executive in a county containing a city of the first class and by the executive authority in a county having an urban-county form of government. Approval by the fiscal court or urban-county legislative body under this subsection shall not include oversight of expenditure of the funds. This oversight shall be retained by the Office of the Controller created pursuant to KRS 42.0201. In counties containing a city of the first class, each sheriff's deputy who uses his own automobile in the performance of official duties shall be authorized an allotment for expenses incurred, up to a maximum of three hundred dollars ($300) per month, to be paid out of the fees and commissions of the sheriff's office. In all other counties with a population of seventy thousand (70,000) or more, the amount, if any, allowed for the necessary office expenses of each officer shall be fixed by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.

(3) Each officer shall, on the first day of each month, send to the Finance and Administration Cabinet a statement, subscribed and sworn to by him, showing the amount of money received or collected by or for him the preceding month, as fees or compensation for official duties, and shall, with these statements, send to the Finance and Administration Cabinet the amount so collected or received. The Finance and Administration Cabinet may extend the time for filing the statement and making the payment for a period not exceeding ten (10) days in any month.

(4) The salary of each officer and his deputies and assistants and his office expenses shall be paid semimonthly by the State Treasurer upon the warrant of the Finance and Administration Cabinet made payable to the officer. If seventy-five percent (75%) of the amount paid into the State Treasury in any month by any of such officers is not sufficient to pay the salaries and expenses of his office for that month, the deficit may be made up out of the amount paid in any succeeding month; but in no event shall the amount allowed by the Finance and Administration Cabinet to any officer for salaries and expenses exceed seventy-five percent (75%) of the amount paid to the Finance and Administration Cabinet by the officer during his official term.

(5) In counties containing a city of the first class and in counties having an urban-county form of government, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be approved at reasonable amounts upon motion of each officer by the fiscal court in counties containing a city of the first class and by the legislative body in counties containing an urban-county form of government. This approval shall be signed by the county judge/executive in a county containing a city of the first class and by the executive authority in a county having an urban-county form of government. Approval by the fiscal court or urban-county legislative body under this subsection shall not include oversight of expenditure of the funds. This oversight shall be retained by the Office of the Controller. In all other counties with a population of seventy thousand (70,000) or more, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be fixed at reasonable amounts upon motion of each officer by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.

Section 3. KRS 64.347 is amended to read as follows:

The population of a county shall, for the purposes of KRS [~~64.345 and~~]64.346, be determined by the most recent federal decennial census enumeration, provided however that the provisions of those sections and subsections shall not become operative to such officers mentioned therein during their term, in counties determined to have acquired, since the last census, a population of more than 75,000.

Section 4. KRS 64.527 is amended to read as follows:

In order to equate the compensation of[~~county judges/executive, county clerks, sheriffs, jailers,~~] justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the Department of Local Government shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars ($7,200) per annum. The Department of Local Government shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled pursuant to the increase or decrease in the consumer price index. Upon notification from the Department of Local Government, the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the Department of Local Government.

Section 5. KRS 64.535 is amended to read as follows:

The county ***judge/executive, clerk, jailer who operates a full service jail, and sheriff shall each receive a monthly salary of one-twelfth (1/12) of the amount indicated by the salary schedule in Section 1 of this Act***[~~clerk, county judge/executive and sheriff of each county shall receive a maximum monthly salary of one twelfth (1/12) of fourteen thousand three hundred dollars ($14,300) to be paid solely out of the statutory fees and salaries received by him during the calendar year~~].

Section 6. KRS 67.705 is amended to read as follows:

(1) Each county shall have a chief executive officer known as the county judge/executive. Only a resident of the county shall be eligible for election as county judge/executive. He shall be nominated and elected by the qualified voters of the county in the manner provided by law for the election of county officers. In case the office of county judge/executive becomes vacant by reason of death, resignation, or removal, it shall be filled with a person appointed by the Governor, in accordance with Section 152 of the Constitution, for the unexpired term.

(2) The [~~salary of the~~]county judge/executive shall ***receive an annual salary pursuant to the salary schedule in Section 1 of this Act, except in counties that contain an urban-county form of government, where the county judge/executive shall receive the salary set by the legislative body***[~~be set by the fiscal court~~].

(3) [~~Except in urban-county governments, the minimum annual compensation paid to the county judge/executive shall be the greater of a sum not less than sixty percent (60%) of the maximum compensation certified under KRS 64.527, or not less than the annual compensation of the sheriff or county clerk or jailer in the county, except that no fiscal court shall be required under provisions of this section to approve an amount for the compensation of any one (1) official which would exceed six percent (6%) of the county's total annual general fund receipts including federal revenue sharing moneys.~~

~~(4)~~] In no event shall the county judge/executive, justice of the peace, magistrate, or commissioners who serve on the fiscal court holding office on January 2, 1978, receive less than the total annual compensation received by that official during calendar year 1976.

Section 7. KRS 441.245 is amended to read as follows:

(1) The jailer ***who operates a full service jail*** shall receive a monthly salary ***pursuant to the salary schedule in Section 1 of this Act*** from the county jail operating budget.

(2)[~~In recognition of the increased duties and responsibilities of the office of jailer, jailers holding office on July 1, 1982, shall be entitled to a level of compensation in calendar year 1982 which shall be equal to the compensation of jailer in calendar year 1981 as adjusted for the change in the consumer price index during calendar year 1981 or $12,000, whichever is greater. The fiscal court may establish a higher level of compensation for the jailer, provided, however, that in no event shall the jailer's compensation exceed the maximum compensation allowable for county officials under KRS 64.527. In the event that a jail was closed during calendar year 1981, the secretary of finance may, upon proper documentation by the jailer, direct that a prior calendar year's level of compensation be used as a basis for setting the jailer's compensation pursuant to this section.~~

~~(3) The jailer's monthly salary for the period July, 1982, through December, 1982, shall be the jailer's compensation for calendar year 1982 as provided in subsection (2) of this section less the jailer's earnings for January through June, 1982, divided by six (6).~~

~~(4) Except as provided in subsection (5) of this section, the jailer's compensation for 1983 and subsequent years shall equal the prior year's compensation and may be adjusted by the fiscal court for the change in the prior year's consumer price index.~~

~~(5)~~] Effective January 6, 1986, the salary for jailers in any county where there is no jail and the jailer does not transport prisoners shall be twelve thousand dollars ($12,000) per year.

Under the superb guidance of Cheerleading Sponsor Vicki Wooton and the steadfast support of Principal Debbie Napier, these exceptional students have brought pride and honor to Stinnett Elementary School, the community of Hyden and this great Commonwealth. Inasmuch as these cheerleaders have demonstrated extraordinary effort, determination and hard work, the members of this distinguished body are pleased to join with Representative Barbara White Colter in applauding them for their well-deserved recognition and in extending best wishes for continued success. **Legislative Citation No. 258** was adopted without objection. The House of Representatives of the Commonwealth of Kentucky hereby recognizes Representative Gross Clay Lindsay and sorely sympathizes with his hapless plight during this session of the Kentucky General Assembly; plunging to unfortunate depths in status, metamorphosed from an impressive "half a pie," to a mere "piece of the pie." This honorable body recommends that if said recipient wants to reverse the direction of his evolution and compete equally on a baking sheet against the enormity of the successes of the gentleman from Henderson, Senator Paul "Pie" Herron, whose master status is discussed far and wide; therefore, we join Representative Larry Clark who has encouraged "the piece of the pie" to expand his horizons and his baking options that he too, like the mighty yeast might yet rise, full of air, to fulfill the entire pie pan and follow in the floury footprints of that magnanimous model of achievement. **Legislative Citation No. 236** was adopted without objection. Roll call to show co-sponsors of Legislative Citation No. 236: (See April 1, 1998 roll call on **Legislative Citation No. 236** - Appendix)

Veto Messages

Veto message received on **HB 85**: I, Paul E. Patton, Governor of the Commonwealth of Kentucky, do hereby exercise the authority granted under Section 88 of the Kentucky State Constitution in returning **House Bill 85**, as enacted by the 1998 Regular Session of the General Assembly, to its house of origin with a veto.

I exercise this authority for the following reasons. First, **House Bill 85** infringes upon the right of individuals to make decisions which are guaranteed under the Ninth Amendment of the United States Constitution to be both free and private. Kentucky state government should not force a burdensome waiting period accompanied by state mandated propaganda on our citizens prior to any private decision, whether it be a matter related to choosing one's religious beliefs, choosing a system of education, choosing a partner in marriage, or choosing to undergo any type of medical procedure. Second, **House Bill 85** places an undue burden of cost and inconvenience upon the rural people of Kentucky who choose to exercise a right guaranteed under the United States Constitution.

Done this Seventh day of April, 1998 in Frankfort, Kentucky at 3:44 p.m.

Veto message received on **HB 499**: I, Paul E. Patton, Governor of the Commonwealth of Kentucky, do hereby exercise the authority granted under Section 88 of the Kentucky State Constitution in returning **House Bill 499**, as enacted by the 1998 Regular Session of the General Assembly, to its house of origin with a veto.

I exercise this authority for the following reasons. **House Bill 499** mandates that local boards of directors for community colleges be appointed after nomination by the Governor's Postsecondary Education Nominating Commission. I support the concept of this legislation but believe that it would too administratively burdensome at this time. With all postsecondary institutions and the Council on Postsecondary Education subject to this nominating process, it is already difficult to get the Commission together for even all of these appointments.

I hereby pledge, if this veto is sustained, to set up by executive order a separate advisory body to nominate candidates for positions on local boards of directors for community colleges. Furthermore, I will work in future sessions of the General Assembly to codify this process under a separate nominating entity for these local boards of directors.

Done in Frankfort this Eighth day of April, 1998 at 3:45 p.m.

Veto message received on **HB 321, Part IX, page 217, lines 17 through 23:** I, Paul E. Patton, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky Constitution, do hereby veto Part IX, page 217, lines 17 through 23, of **House Bill 321** as enacted by the 1998 Regular Session of the General Assembly.

I exercise this authority for the following reasons. The provisions identified in Part IX, Page 217, lines 17 though 23, of House Bill 321 relate to Access Permits granted by the Kentucky Transportation Cabinet, Department of Highways, and would indicate that the price of any property purchased back by the original seller shall be the price originally paid for the right-of-way and normal inflationary "uplifts." I disapprove of this provision for a variety of reasons. As a policy matter, this new language would ignore and dismiss the fact that the value of the land almost invariably would have been significantly enhanced by the new access provided by the Department of Highways. Currently that value is determined by a "before and after" appraisal which is required by federal regulations. In order to comply with these regulations, as well as to recognize the true value of the improved property, it is necessary to strike these provisions from House Bill 321. Finally, no funds are expressly provided for any refunds associated with this language, although refunds are "appropriated in the Highways appropriation unit" and would, therefore, have to be deducted from other Road Fund appropriations.

Veto message received on **HB 321, Part IX, page 214, lines 27 through Page 215, line 1:** I, Paul E. Patton, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky Constitution, do hereby veto Part IX, page 214, lines 27, through Page 215, line 1, of House Bill 321 as enacted by the 1998 Regular Session of the General Assembly.

I exercise this authority for the following reasons. The provisions identified in Part IX, Page 214, line 27, through Page 215, line 1, of **House Bill 321** relate to the Sleepy Hollow Golf Course and Coal Mine Museum in Harlan County and would "transfer" operational and legal responsibility to the Kentucky Department of Parks. I disapprove of this provision because it would remove responsibilities for ongoing operations from the local community and impute a statewide recurring obligation and liability to the Commonwealth. Both the Sleepy Hollow Golf Course and existing Coal Mine Museum in Benham are existing enterprises unrelated to the Department of Parks. Moreover, they are not geographically contiguous or related in any other way to the operations of the existing Kingdom Come State Park in Harlan County and would set an adverse fiscal, legal, and operational precedent regarding the obligations of the state Department of Parks. It should be recognized, and indeed emphasized, that the veto of this language concerning the "transfer" of operational and legal responsibility in no way affects the appropriations contained elsewhere in House Bill 321 for capital improvements and operating subsidies for these Harlan County enterprises.

Done this Fourteenth day of April, 1998 at 4:34 p.m.

The University of Kentucky squad is the only team to win back-to-back championships twice, once in 1987 and 1988 and again in 1995 and 1996. Further, these exceptional athletes stand alone in having won four national championships in a row in Division 1-A competition.
